IN ACADEMICS

Just to show that academics are Number 1, three new trophy display cases were purchased by the school. When they were bought, it was designated that they were to be used to display academic achievements only. No longer were only sports trophies displayed, but those who achieved academically were honored also.

For many years, the athletic achievements outnumbered the academic achievements. This was changed though as a new emphasis was placed on noticing the academic student. Various opportunities existed which the studious pupil took advantage of. For example, Crabbers participated in the Governor's School for the Gifted, Girl's and Boy's State, Presidential Classroom and other academic programs which enriched their lives.

1. In the library, DANNY NIXON, ROBERTO SAMSON and MIKE DURON compare notes. 2. During homeroom, BECKY LYNCH uses a free minute to read a novel for English. 3. The gubernatorial election in the fall was definitely a learning experience for MS. SARAH LIVINGSTON's classes. 4. In English class, MARTIN MILLER keeps the class entertained with one of his antics. 5. A new addition to the administrative faculty is MR. LOWELL THOMAS, Assistant Principal of Instruction. 6. The ROTC class listens attentively to their instructor. 7. Art instructor, MR. ALVIS MANN uses slides to provide visual aids for his students.

IN SPORTS

The HHS Crabbers did not procrastinate in showing the state that "We're Number 1" in sports. They started the year by winning the state championship in football and then proceeded to win the state championship in indoor track. The Gymnastics Team, consisting of only five members, did a fantastic job of keeping HHS Number 1, by placing third in the district as did the Wrestling Team. Suffering from injuries, the Swimming team made a strong comeback while the Boys' Basketball Team strived to maintain HHS's high quality of athletics. The Girls' Basketball Team brought victory home when they placed second in the District.

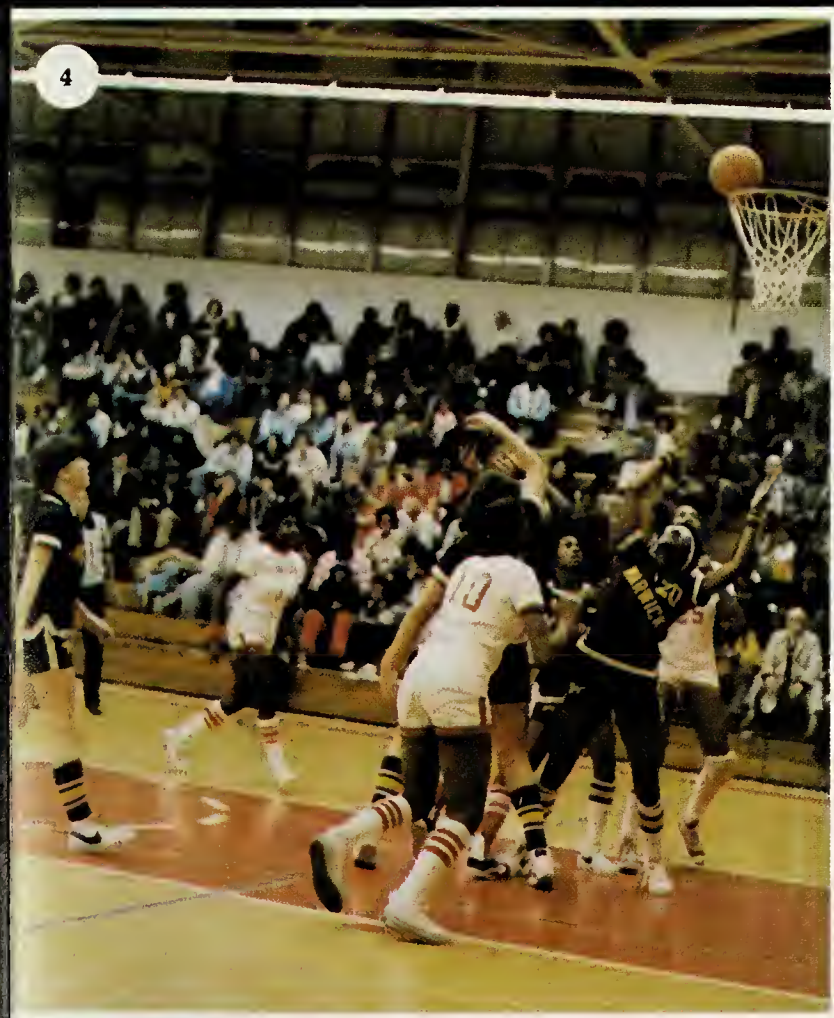

1. Giving a smile, KEVIN CROCKER pins JEROME MITCHELL. 2. Between two players, GEORGE EVANS (44) shoots as MATT VANNICE (10) watches his style. 3. Watching COACH MANN tape his arm, LEMONT HOLT despairs over the game situation. 4. Going after the rebound, FELECIA ROBERTS (10) watches the ball as DIANE CHAVERS does the same. 5. An injured ankle does not keep THERESA ENDERSON from practicing her routine.

IN SPIRIT

The Crabber student spirit reached its peak prior to the state championship game. By December 3, all the Crabbers were confident that their support and enthusiasm had greatly affected the football team. The spirit intensified before each pep rally. Such cheers and chants as "You can't crush a crab" and "We're number 1" could be heard before, during and after every pep assembly. Although the seniors dominated the spirit stick competition, they yielded the title to the juniors twice.

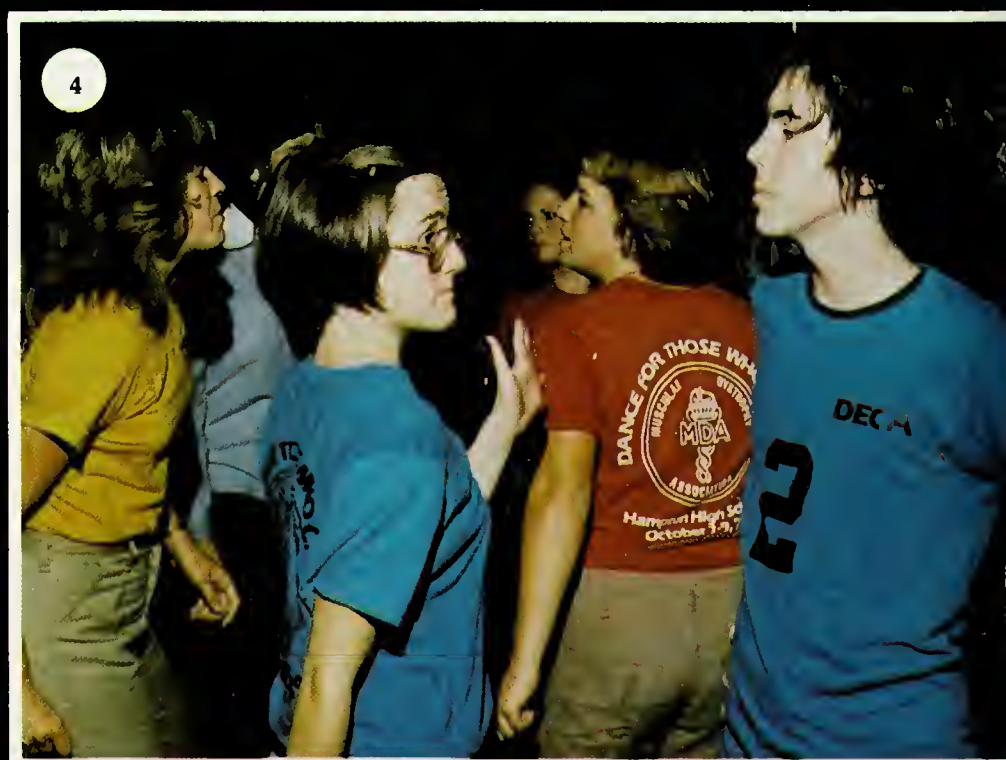

1. Showing their spirit for Red and White Day, MS. WILSON and MS. DOZIER are proud to be wearing HHS colors. 2. As CYNTHIA MILLS looks back, SHANNON SMITH and a referee are paying attention to the game. 3. After receiving the title of Football Homecoming Queen, BEVERLY PORTER carries her flowers as KEITH DAVIS escorts her. 4. Ecstatic over their victory in the spirit stick competition, the mighty seniors rejoice. 5. Starting the spirit stick competition, MARY CEDILLO addresses the student body. 6. Concluding the half-time activities, the Flag Corps salutes.

A school has to have some type of activity to involve students whom do not excel in athletics; this is where organizations did prove that "We're Number 1" by seeking to involve every student into some club. As membership increased within the organizations, so did their accomplishments.

1. Judging the spirit stick competition, SCA President, ALEX TIETLEBAUM, MARION STEVENS, NAT PRETLOW, AND MR. PRICE watch the decibel meter. 2. As the Key Club Meeting adjourns, BILL WHITLEY, GREG WOOD, AND ALAN McDONALD depart. 3. During FBLA Dress-Up Day, DENISE BRANDT AND BEVERLY JARVIS wear their finest. 4. Proving the Spanish Club is No. 1, SHAWN SCULLEY AND KATHY VANNICE participate in the Muscular Dystrophy Dance-A-Thon sponsored by DECA. 5. Being DECA's No. 1 couple, DAVID CUTLER AND CHERYL SMITH dance. 6. Looking ahead, Carla McBride awaits her cue. 7. Waiting for half-time activities to begin, MICHAEL ROWE and DANA GILLIS watch the clock.

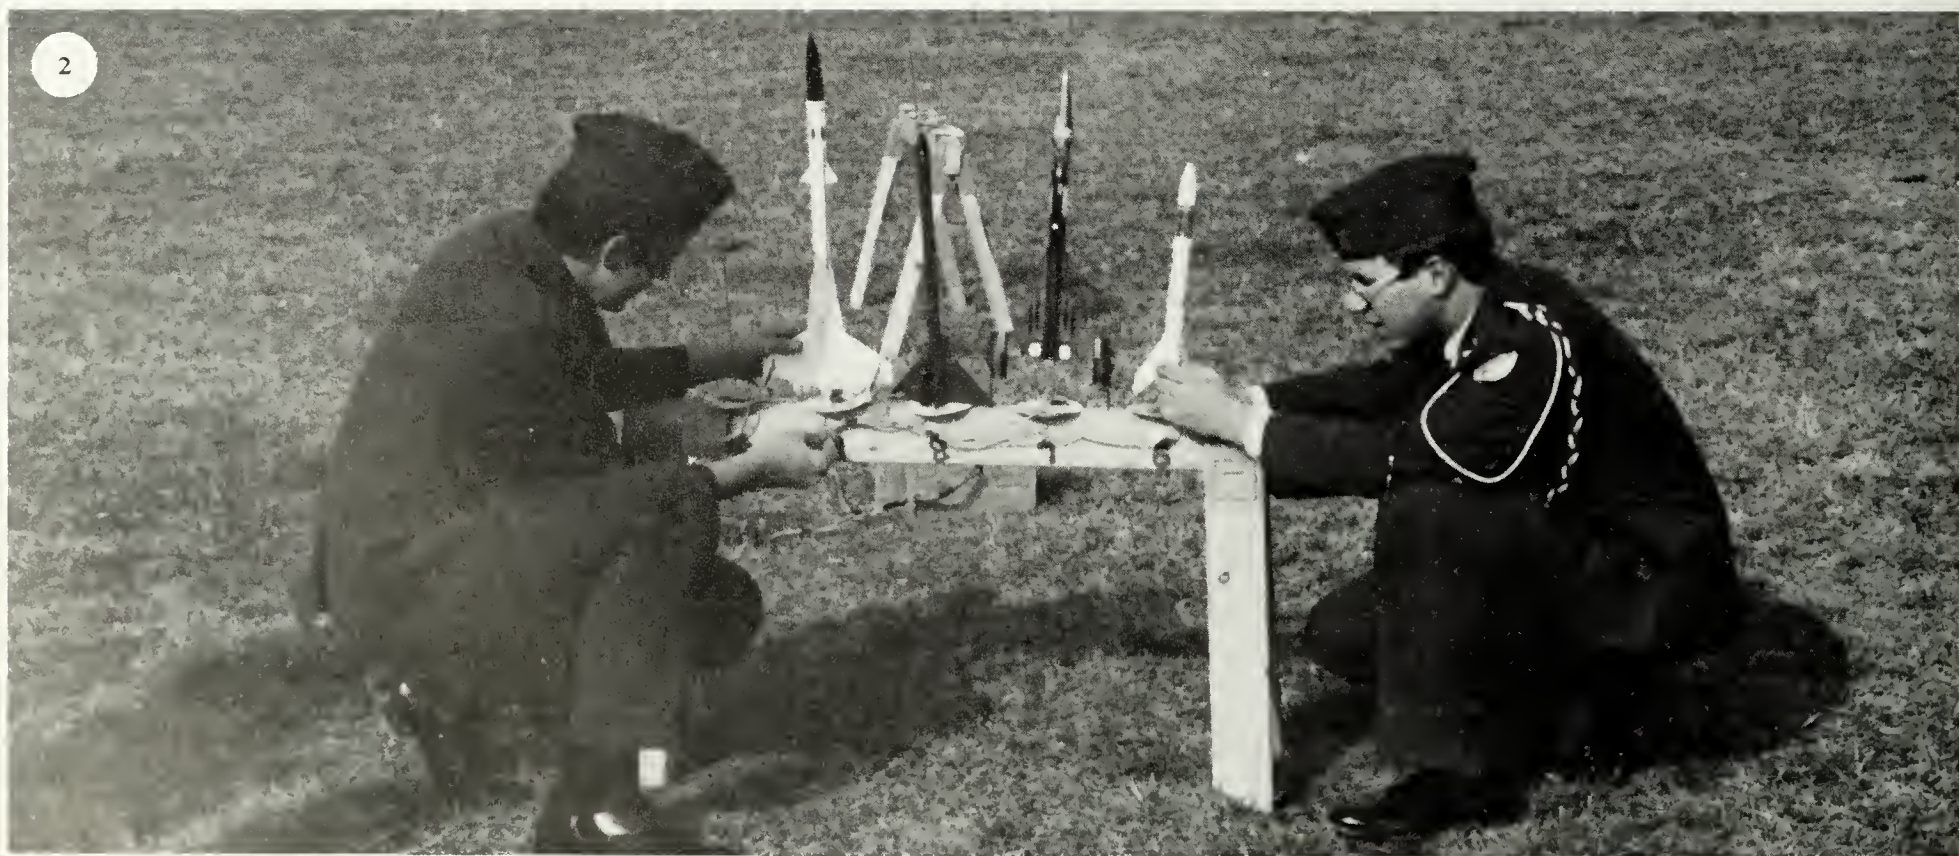

IN ORGANIZATIONS

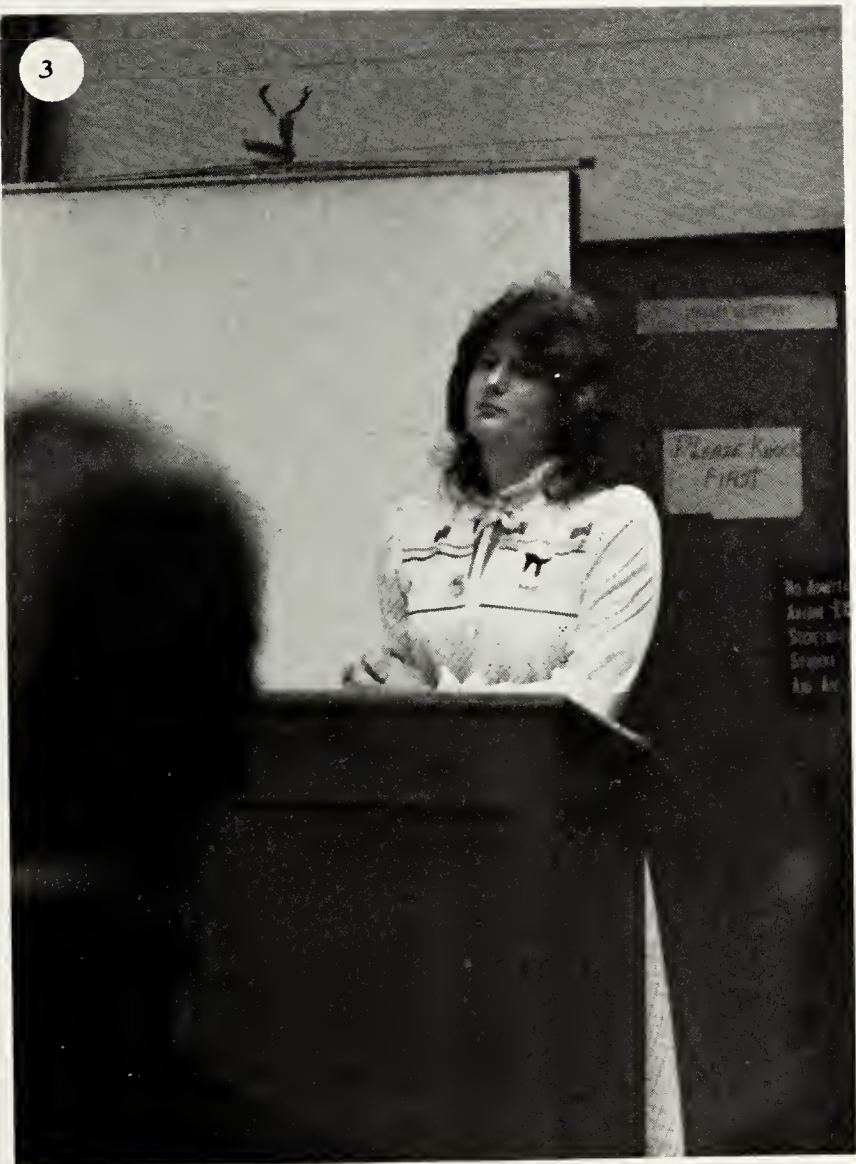

1978 CLUBS

Those Crabbers who felt a need to get involved were confronted with the question of "Which club should I join?" Everything from participation on the Annual staff to the Thespians were available for students to choose. Throughout the year, many of the clubs were awarded honors. For example, the Forensics team placed first in the district, ROTC was "Number 1" in numerous competitions and both the Annual staff and Newspaper staff returned from the Publication Workshop with first place honors.

1. During an Ensemble production, MARIE WILLIS, KATHY CROWDER, BECKY WILLIAMS and HELENE KREGG, "sing out". 2. GARY PURDY and ROBERT HAITHCOCK set up model rockets for ROTC. 3. At the Math Honor Society induction, SHARI HUTCHINSON addresses the crowd. 4. The majorettes and flag girls prepare for half time activities. 5. Key Club officers, PAUL PIETROWSKI, ALLEN McDONALD and BILL WHITLEY display their club spirit. 6. Prior to the Christmas holidays, members of the band and Colonel Wilkison, entertain the student body.

Mr. Lowell Thomas, working for the first time at a senior high school, became the new Assistant Principal of Instruction.

The library gained two new librarians; Mrs. Millie Thomson and Miss Audrey Pinchback. The head Librarian, Mrs. Thomson, came to Hampton from Bethel High where she had previously been assistant librarian. Miss Pinchback, assistant librarian, began her career this year after graduating

from Virginia State College in Petersburg. The two new librarians, along with the two clerks, cheerfully assisted the students in their research. The clerks' beaming personalities were shown through the several extra decorations they set up in the library. Their Christmas decorations certainly brought love into the library. When Mrs. Thomson had her baby, the clerks made a conspicuous poster announcing. "It's a boy!"

One matter which math teachers were concerned with was the state requirement that only one mathematics unit is required to graduate. Students who studied math for only one year were not taking full advantage of what the Mathematics Department offered.

Everything from basic math to calculus was available for the interested student. Those who studied math

throughout their high school years have found it to be beneficial in all walks of life upon graduation.

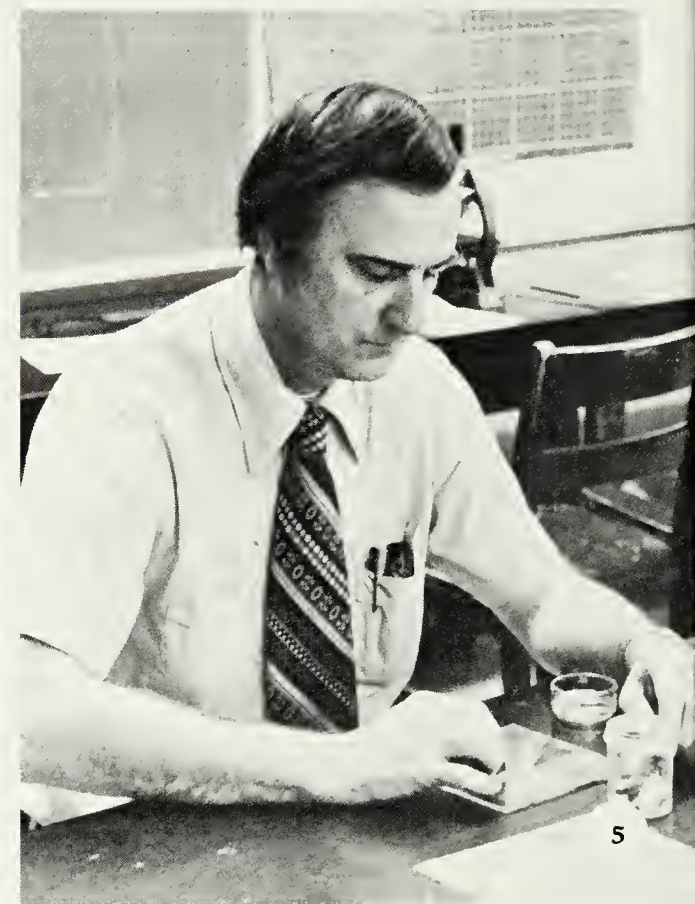

Mrs. Joyee Weeks, Chairman of the Mathematics Department noted that, "The Mathematics Department strongly advocates that learning math or any subject should require that students acquire procedures to assist them in solving individual problems in addition to mathematical problems."

Long awaited and desired, an Advanced Placement Biology class finally became part of the science curriculum. Mr. Bennet was the first to instruct the class, which was designed to give the students a chance to study biology indepth. The students reacted differently to the class. Some were enthusiastic, others confused, and still others were frustrated.

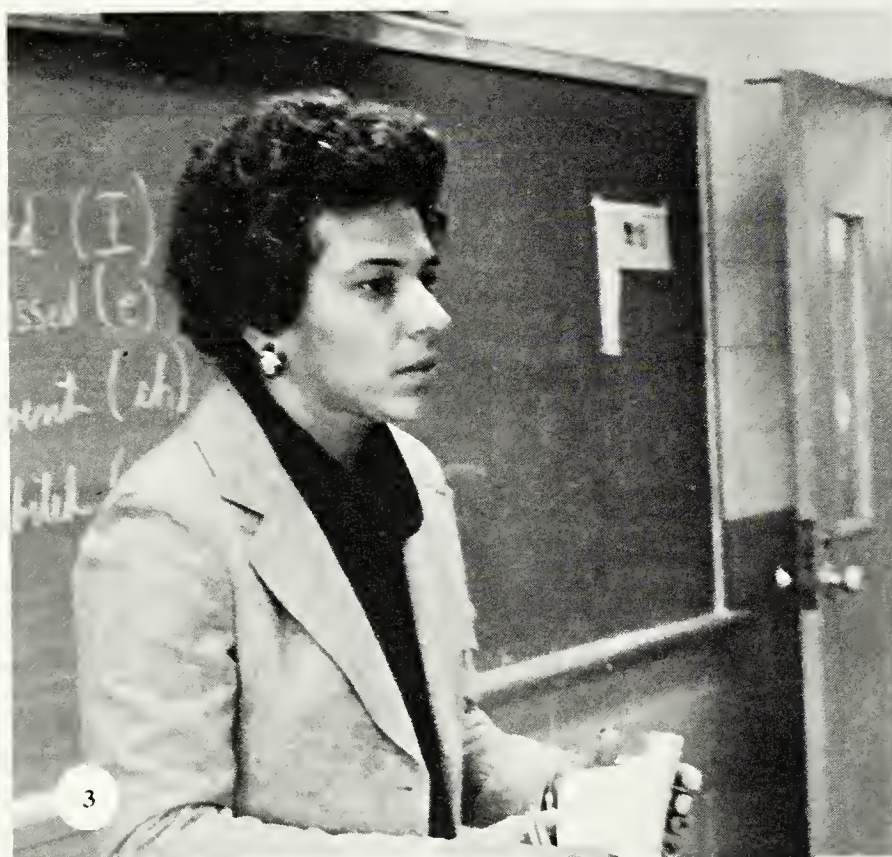

Student interest seemed to be lacking throughout the year. Mr. Bennet commented, "There is a general apathy on the part of students. The students now are reluctant to participate in difficult subjects. Thus, the achievement levels have fallen." However, the year did have its highlights. Students and teachers who participated in the Junior Academy Science Fair found that student apathy is lost when interest is gained.

EQUIPMENT BRINGS LIFE

Change is the best word to express the business department. Many students' spirits were revived when they discovered that new equipment had been purchased for their use. The excitement of having this new equipment also brought about a major change in attitudes towards class tardiness. No longer did students linger in the halls before going to class.

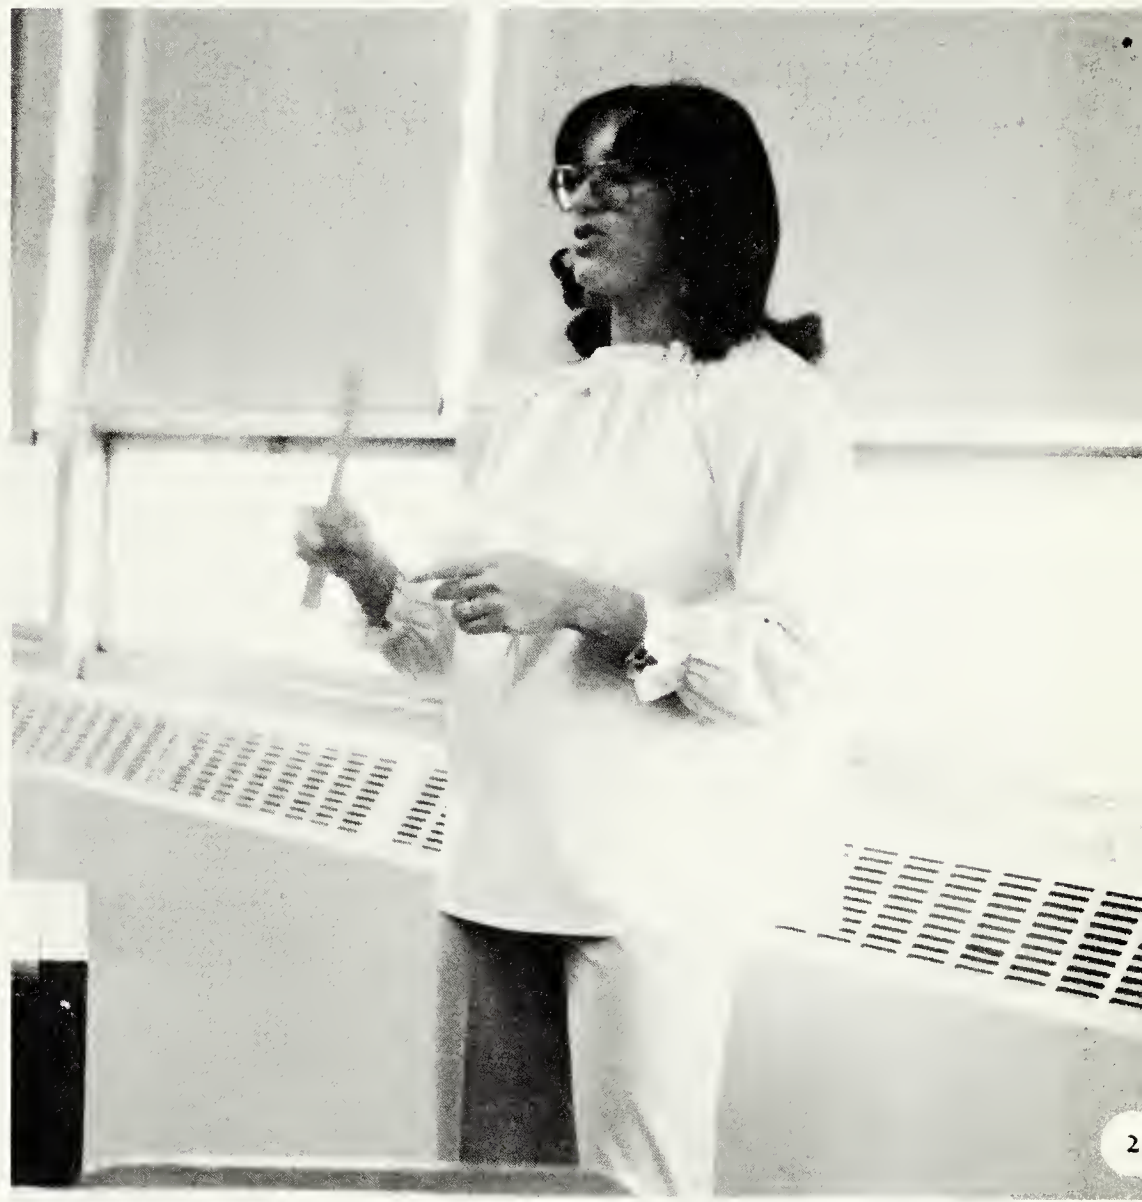

There was evidence of a major rush to see who would get to class first to use the new equipment. Several students were known to shout, "I've got the electric typewriter today!" Other replies were, "Too late again". As time moved on, tardy students learned that "the early bird caught the worm."

PRACTICALITY IS AN ART

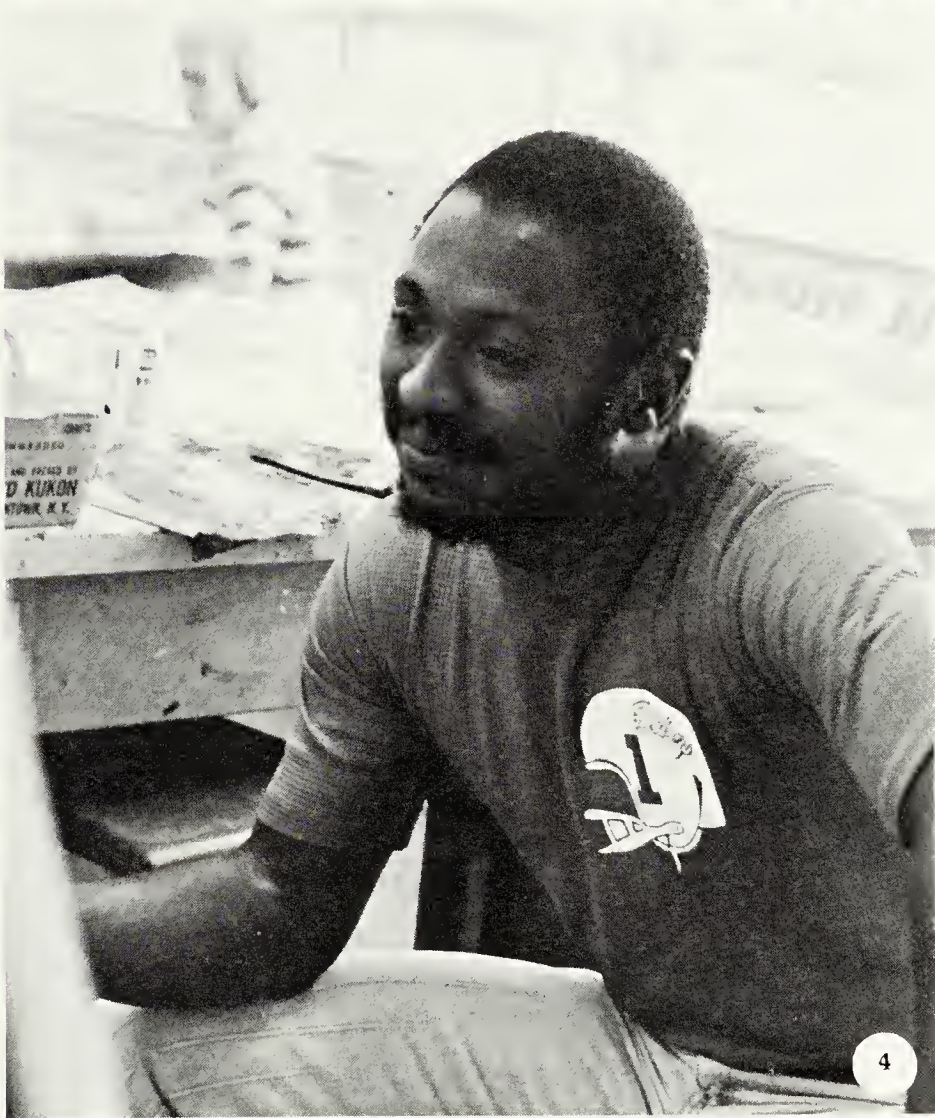

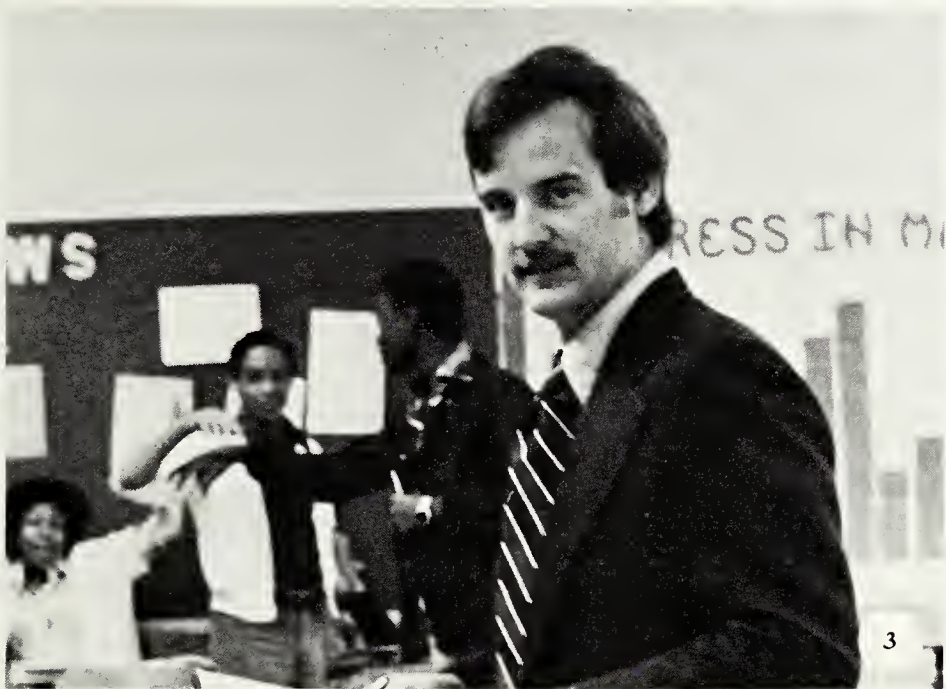

Students learned in the practical arts classes that practicality is an art, as was evident in their making of useful ornaments, trinkets, hanging baskets and lunch boxes. They were also eager to display their paintings and other creations in showcases and attractive bulletin boards for different reasons. Showing the Christmas spirit of giving, D. E. students made beautifully decorated seas shell ornaments to give to the faculty members at their annual Christmas party given for the teachers. In all of the classes, production was the goal, while making practical objects was the art.

This new task was given to the custodians because students were disturbing classes during their respective lunch periods. However, this ended when it was found that other duties kept the custodians busy.

The Cafeteria Staff found that change was needed in the cafeteria. Therefore, the Salad Bar was moved to the front of the cafeteria while the condiments were pushed to the back.

Transition also took place within the secretarial and clerical staff. Mrs. Scott was moved to the main office as a secretary and Mrs. Ellis moved to a private office. HHS also obtained a new bookkeeper as Mrs. Orie joined the family.

Delegates to Boys' and Girls' State were chosen by their academic and club participation excellence. For the delegates, their days began at 7:00 and usually lasted until midnight. After a very informative learning session, each of the delegates returned home totally exhausted.

STUDENTS HELP OUT

Sitting in a room of complete silence for some students can be quite boring after a certain time. However, the seniors who sooned tired of sitting in study halls decided to become student assistants to alleviate their boredom.

Being a student assistant a person had a variety of choices as to where he or she could work. For example, one could either assist in one of the dean's offices, in the library, in the Main Office, or in the Guidance office.

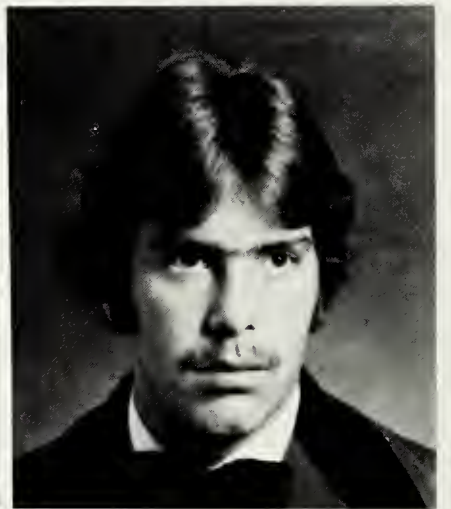

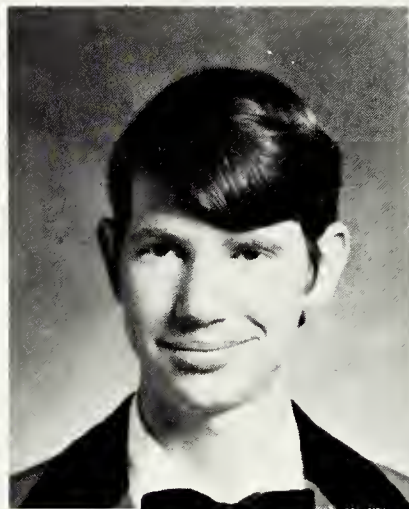

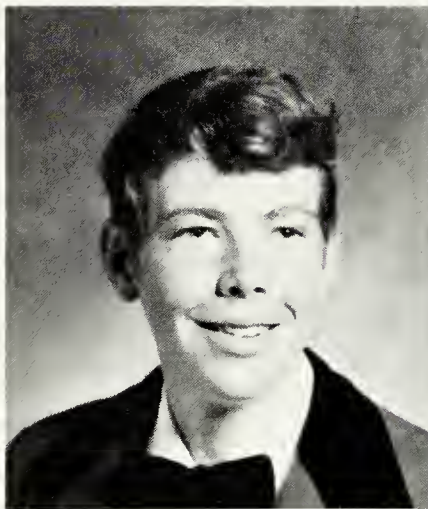

As a library assistant, Vince Williams finds stamping passes an easy chore.

As teen-agers grow older, they begin to concern themselves more with their appearances. The seniors proved that buying contact lenses proved to be more effective than buying eye-glasses. They also found the lenses to be more attractive in adding to their physical appearance.

Sitting at a desk during third period, KAREN MILLIKEN puts in her contact lenses.

SENIORS PROGRESS AT THEIR OWN RATE

Many classes were designed so that the students could progress at their own rate while learning the skills which needed improvement. For seniors, this was a great help because they could spend more time on the basic grammar uses. For other students, the time allowed was spent talking to fellow classmates. However, when the nine weeks was over, the seniors who improved received passing marks while the others failed.

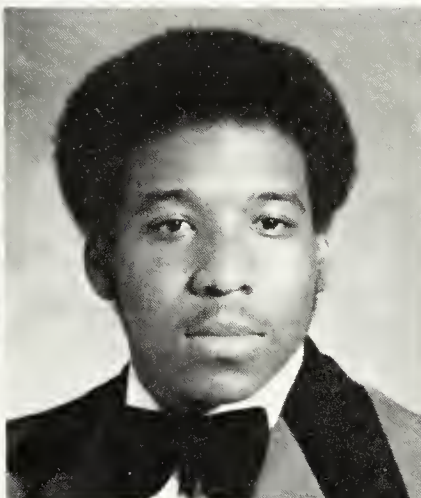

Using her time wisely, DEIDRA RIDLEY, proofreads her paper.

FRIENDS ARE FOREVER

Friends, SHAWN NEAL and SHARON HOLMES walk to their third period class.

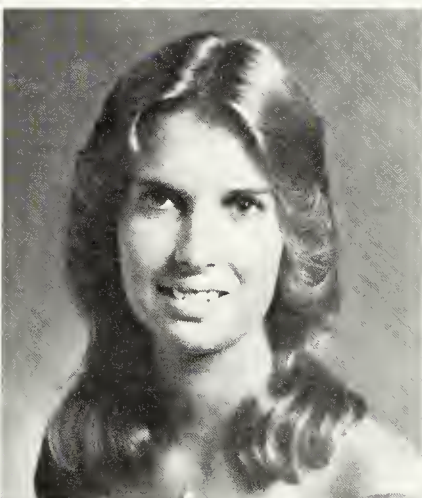

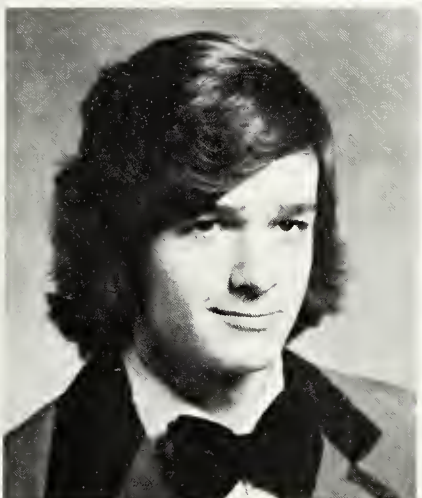

"Oldest friends are the best friends" is an old saying and the Class of '78 found it to be true. As the seniors reflected back on their years of schooling, many found that their friends then were ones with whom they attended grade and junior high school. They found that friendship was an everlasting relationship and should not be taken lightly.

STUDENTS UTILIZE LIBRARY

Seniors along with other members of the student body, began to believe that the library was a social center. Therefore, the librarians drew up a set of rules which each student had to follow. For seniors, this proved to be a disadvantage because they could not use the library without a pass. However, the rules were not as strict when the students began to use the library for its real purpose.

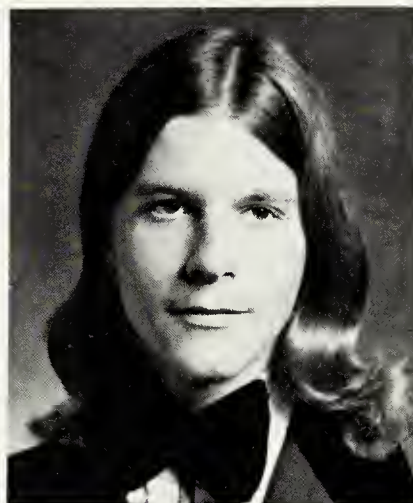

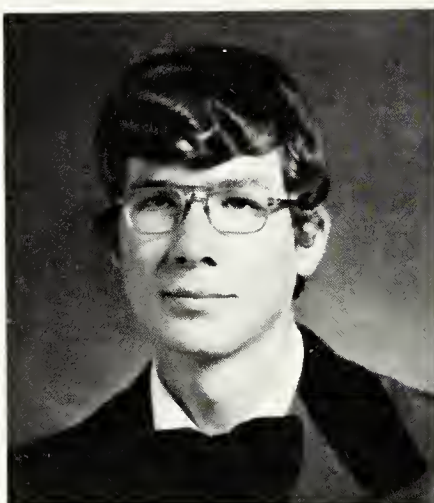

Preparing a paper for fourth period, JEFF SISE works diligently in the library.

During the year, Crabbers suffered through a cold winter. The classrooms were held at low temperatures to comply with the Government's Energy Conservation Program. Each week, it was a common sight to see a man with a heat indicator visiting every classroom. Seniors complained of frostbite and numbness due to their cold surroundings. However, as soon as temperatures rose, the seniors began to complain about the hot sticky weather.

CLOSED CAMPUS POLICY ENFORCED

The thirty-five minute break in the middle of the day was supposed to serve as a lunch period for all students. However, seniors felt that since they could drive, they should be able to leave campus for lunch. Therefore, the administration found it necessary to enforce the "Closed Campus Policy" very strictly. Seniors were discouraged then from leaving the school grounds during lunch.

Examining his roll, JAMES DAVIS prepares to eat his lunch.

SENIORS ADJUST

Adjustments for most people are not easily accomplished because they take time and hard work. These adjustments are especially difficult when a person has attended one school for a long time and then is transferred to another. The Senior Class acquired over five new members in this manner and tried to show the New Crabbers that they too, were part of the Hampton Family.

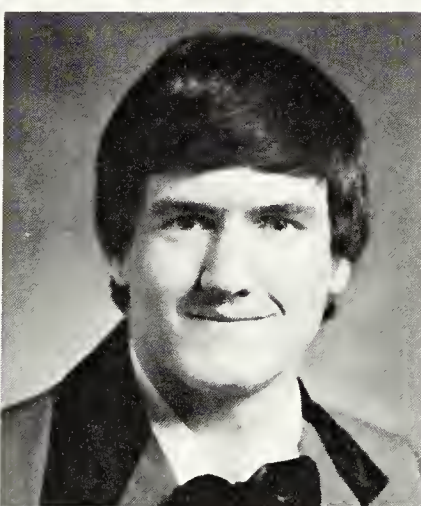

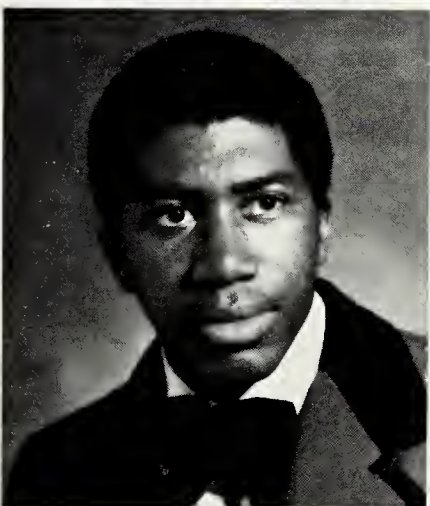

SUSAN REED, a transfer from another school, found that the Hampton Crabbers were a likeable bunch.

SENIORS DECIDE

Every time a new nine weeks began, seniors usually tried to obtain seats in the back of the classrooms. For days, students were on time so that they could have the same desks. However for some students, sitting in the back of the class meant not being able to see the board. Therefore, the seniors had to decide whether to sit in the back of the room where they were sometimes more comfortable or sit in the front where they could see the board.

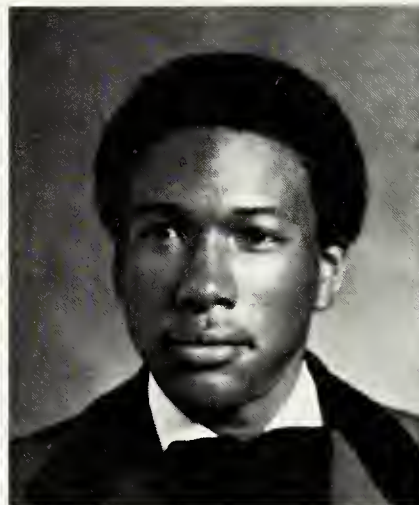

VERONICA REID stretches to see the assignment on the board.

EARLY EXCUSES MEAN FUN

Being a senior had its privileges and usually each senior tried to take advantage of as many of these as possible. One of the rights in which more than half of the Senior Class used was the sixth period excuse. Most seniors had waited two years to be able to leave earlier than the rest of the student body. Therefore, when the fifth period dismissal bell rang, seniors were on their way home.

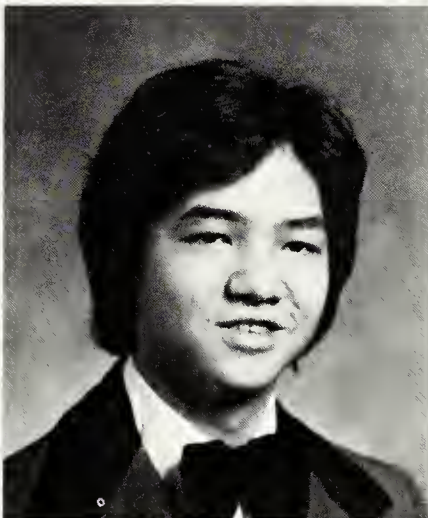

Since fifth period is over, DAVID HOLLIDAY waits for the other members of his car pool.

Heavy snowfall brought screams of delight from Hampton seniors. They knew from experience that they would get to go home even earlier than usual. They also knew that if it continued to snow, and the roads were not cleared by early morning that they would get to stay home the next day. Three and a half snow days were witnessed and enjoyed. Seniors who had their cars experienced the difficulty of driving in snow, keeping windshields cleared and getting and keeping the cars started.

MELODY MOORE and JEFF WINSTON experience the tedious job of clearing windows of snow.

The Senior Board of Governors worked very hard planning the events which brought the Class of '78 closer together. They sponsored a talent show in late March displaying the outstanding abilities their class held. In May, they held "Senior Week" where every day was designated as something different.

The Board's duties also included designing the Graduation Announcements and choosing the speakers for Baccalaureate. Lengthy discussions were always heard during these meetings because each senior wanted to make their senior year special.

WORK RULES

LAST QUARTER RELAXES

After scheduling for the last nine weeks, HELEN KREGG reads for her required book report.

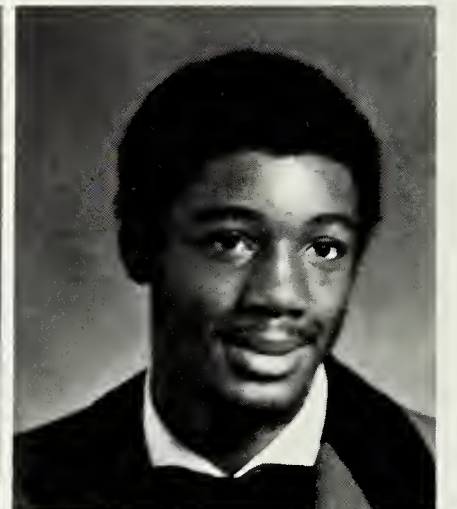

Many seniors when registering for their last nine weeks classes could be heard saying, "I want something that is not very difficult because a senior should be able to relax during the last nine weeks of high school." Some seniors chose courses on their usual phase level, but chose courses that they felt required "less reading and writing". Those seniors who had waited until the last nine weeks to double found their fate altogether different. With warm sunny days ahead, they also wished they could join in and say, "The last quarter should be for relaxing".

The class of seventy-nine's Junior Executive Board had their hands full. The year's activities began with an ice cream bash during football homecoming week. When the football team became the state champs, the board

members started their campaign to sell red and white championship sweaters. The Junior-Senior Prom was next on the agenda. They were busy thinking up a theme, picking out decorations, and searching for a band.

The biggest project for the Junior Class Exective Board was planning for the prom. Deciding upon theme, place and time required much effort, concentration and enthusiasm. After many hours of making contacts and

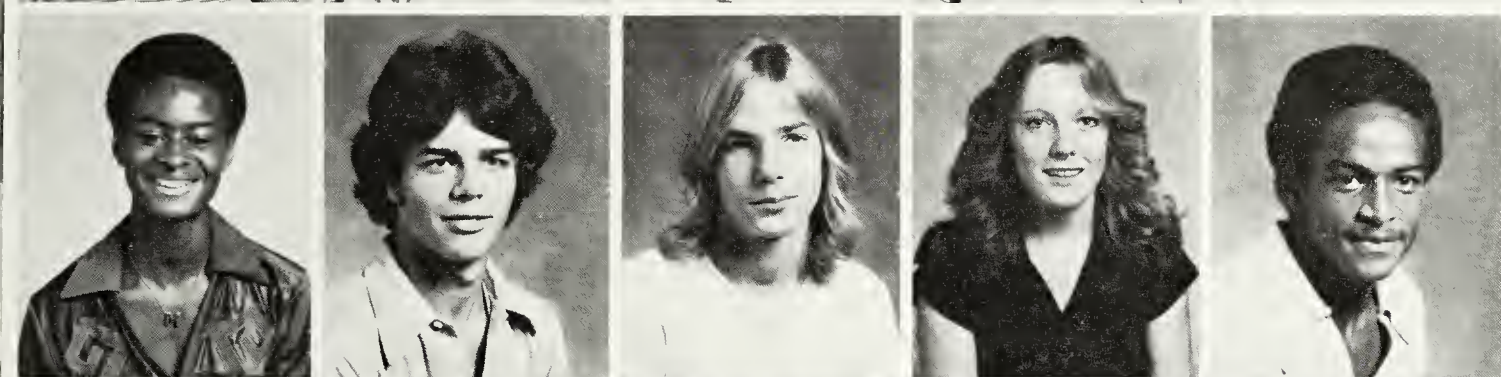

discussing procedure, the board found that there was still much work to do. Collecting junior class dues to help cover expenses proved to be a major task.

Junior TAMMY FOSTER shows her Crabber spirit at the Bethel-Hampton game.

The class of seventy-nine's spirit was great because of the winning streak of the football team. The Junior Class, along with the other classes, had a lot to cheer about at pep rallies and at football games. The juniors

were tough competition against the seniors in the spirit contest held at each pep rally. Twice during the season the juniors out-cheered the seniors and won the spirit stick.

The spirit of the true Crabber was revealed by the adorning of the body with Crabber array. Teachers and students proudly wore beautifully decorated jerseys, crabber hats, and elaborately designed crab pins. Each Friday which was red and white day during

football season, was extended to the weekend games. Juniors, along with other classes, found that the effectiveness of adorning themselves was even more beautiful when many students clustered together to give a unified effect.

The juniors who planned to go to college began their series of college preparatory tests. Mixed emotions could be seen throughout the testing room as PSAT's were distributed. A majority of the students had never experienced such a thorough exam. In

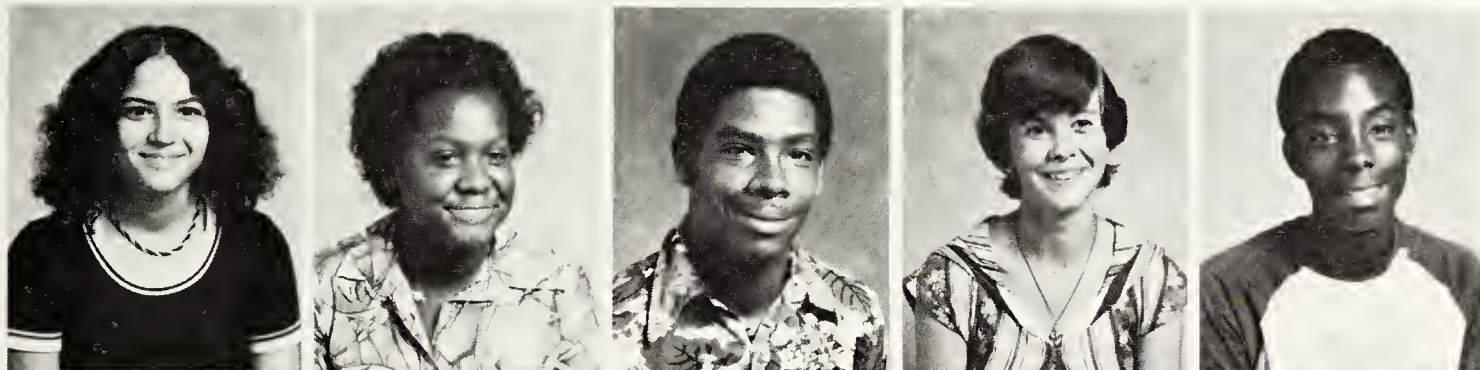

addition to boggling their minds, the PSAT's provided a learning experience for the juniors. Many juniors then took their SAT's and Achievement Tests, knowing that college was around the corner.

with health course selection.

Sophomores spent much time making decisions on the curriculum they wished to follow for the next two years. In addition, to choosing a regular schedule for two semesters, sophomores, along with other classmates, had to decide what English and Physical Education courses they would take second and fourth quarters. The great responsibility lay in making the right choice in phase level, subject area (composition, language or literature), and most of all in not repeating a course that had already been passed.

GARY PLOTT thinks of his next two years at Hampton High School.

The sophomore class had only begun their reign at Hampton High school. Meeting new people and doing new things, the class of "80" fell into the swing. The sophomores knew they were in a special place, with special people at Hampton High, the home of champions. These sophomores planned to carry the tradition onward and upward.

SPECIAL EVENTS

Although Special Events at Hampton High were limited, those which were held thrilled the student body. The SCA Christmas production was first-rate and showed what "Number 1" people could do if they put their mind to it. The Prom and Graduation were anticipated all year long by the seniors, as it seemed that these events could not arrive soon enough. When they finally arrived, memories were created which could never be forgotten.

1. Members of the SCA participate in the Christmas assembly. 2. Tension arises as PRIN CROSLIN discloses her problems in "Here and Now". 3. SCA President for 1978-79, DANA GILLIS, speaks at the elections assembly. 4. The Norfolk Symphonic State Band prepares for another number. 5. Teachers are honored at a tea during Foreign Language Week.

UMBRELLAS REIGN

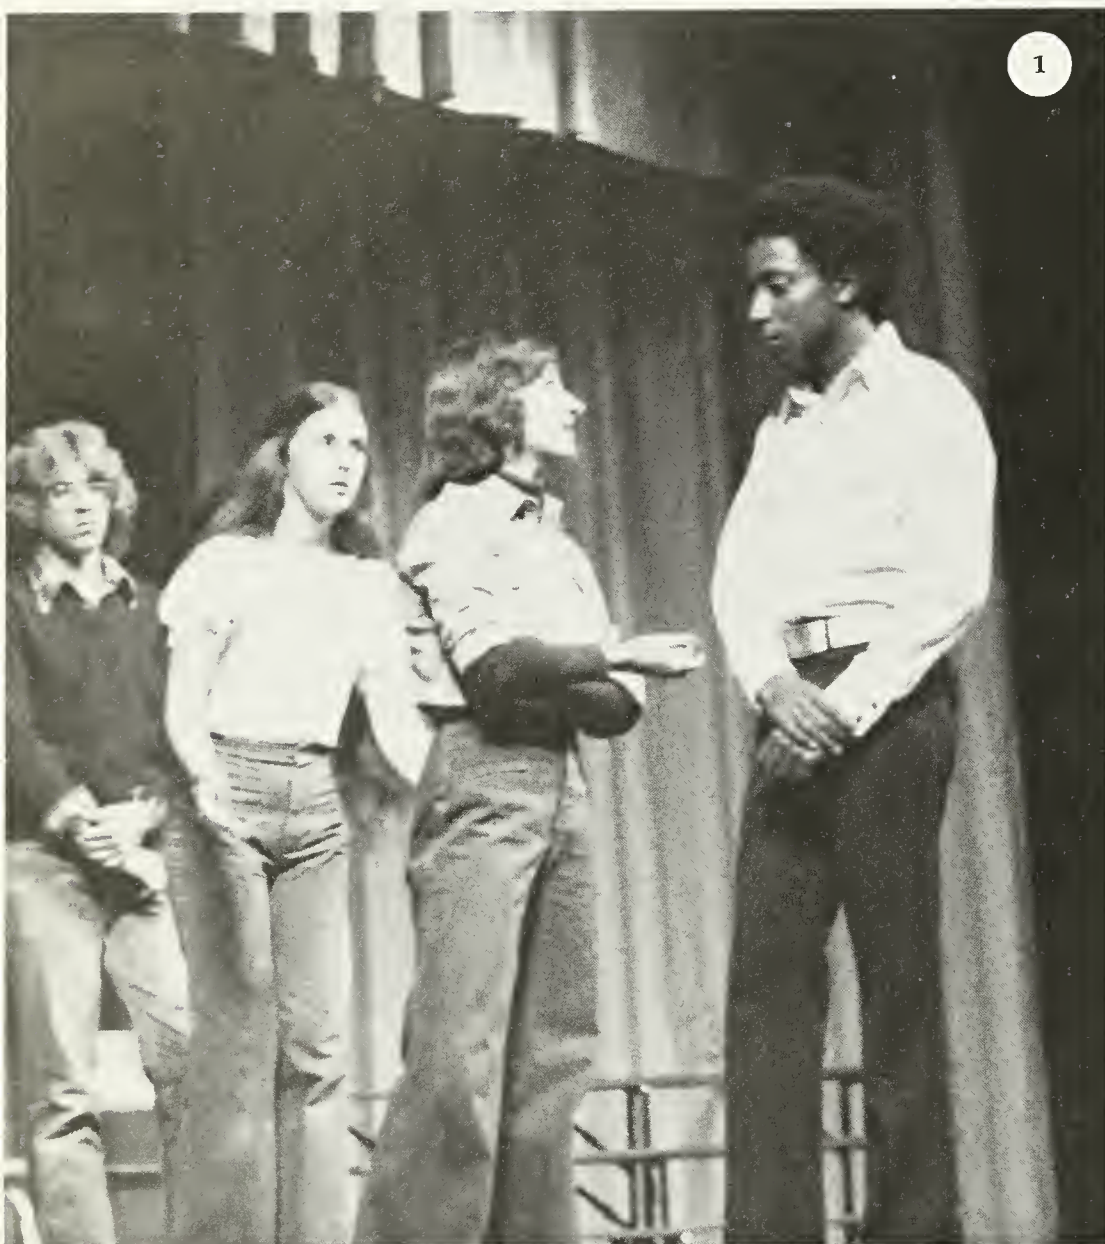

"Rain, rain go away" was a familiar phrase heard when Homecoming rolled around. To many people it seemed to rain constantly. Many clubs had planned various activities for the week but the rain dampened their plans. The Homecoming parade was cancelled because of the bad weather. Many spectators soon left the game after the crowning of the Queen at half-time because of the downpour. The Homecoming court was presented at the pep rally and the game Friday. The members of the court were JANET NAST, CAROLYN RICHARDSON, EVELYN RICHARDSON, KELLY TATE, AMANDA DAIR, BEVERLY PORTER, PAT SPROSTON, and SHERRI STILLWELL. During the rain Friday night, BEVERLY PORTER was crowned Homecoming Queen for the 1977 football season.

1. CAROLYN RICHARDSON and DAVID DATSON are prepared for the rainy weather. 2. JANET NAST and KEITH LEETUN anxiously wait to be announced. 3. AMANDA DAIR and MIKE HICKEY happily wait the announcement of the Queen. 5. Homecoming Queen BEVERLY PORTER, laughed the raindrops away. 6. The German Club float weathers the rain.

1. NATHANIEL PRETLOW listens tentatively to VALERIE WILSON as STEVE HUETHER and ABIGAIL McFARLAND look on to aid VALERIE if she needs help in expressing herself. 2. NATHANIEL PRETLOW and STEVE HUETHER suppress TROY THOMPSON as he tries to take out his frustrations on CHRIS JOHNSON, through physical violence. 3. Unsuccessfully, TROY THOMPSON tries desperately to relate his problems to NATHANIEL PRETLOW. 4. BECKY LYNCH carefully applies make-up on ABIGAIL McFARLAND since it is an important part of a stage production.

Controversy over a term in the play, *TO KILL A MOCKINGBIRD*, caused it to be replaced by *HERE AND NOW*. Not disheartened over the dilemma, the cast of *HERE AND NOW* worked hard to make it a success. Sponsors, MR. THEODORE CRAIDON and MRS. JOYCE WEEKS, were on hand to guide the

production. From the tryouts to the final dress rehearsal, and from advertising to ticket sales, all strived for perfection in every detail. This conscientiousness was apparent through the delight of the perceptive audiences. However, all of this work would have been wasted had it not been for enthusiastic audiences.

1. Contrasting views cause MARGARET ZEHMER and BECKY LYNCH to argue over the lifestyles of each other. 2. Caring about PATRICK MURRAY, BECKY LYNCH soothes him with words when he is feeling sad. 3. Protecting his image of a hardworking man, CHRIS JOHNSON sternly tells NATHANIEL PRETLOW that he refuses to participate in a discussion session, which he feels is useless.

HARD WORK PAYS OFF

1. Band Director ERNIE FEARS "R-E-L-A-X-E-S" the audience. 2. Waiting to give their speeches, DAN ABEL, STEVE ROTHSTEIN, SCOTT LYMAN, and TERESA HILLARD share a few moments. 3. Showing Crabber spirit JUDY SHARP holds a sign.

The SCA had a busy year. They sponsored and planned many activities which included SCA Elections, all pep rallies, Christmas skits, and fund raising projects. They also sponsored for the first time Norfolk State Symphonic Band with Mr. Ernie Fears as director. Mr. Fears excited, as well as relaxed the crowd, with a special song entitled "R-E-L-A-X", wherein he constantly turned to the audience and slowly said "R-E-L-A-X."

1. STEVE HUETHER, ANGELA BARCLIFF, TYRONE BROOKS, ANNETTE SLIDGE participate in Christmas Assembly. 2. BRIAN HOLLMAN plays a solo on his saxophone. 3. EDWARD HOLLOMAN is accompanied by THOMAS DUDLEY in Christmas Skit.

SPIRIT STILL PRESENT

Basketball Homecoming was held on Tuesday, February 7th. It was originally scheduled for February 3rd but a snow storm caused school to be closed that Friday. However the snow did not stop the spirit of Homecoming. The court and their escorts were presented at the pep rally on Tuesday. At half-time that night the girls wore evening gowns and their escorts wore tuxedos. Paula Spady was crowned Homecoming Queen at the game against Warwick. The Crabbers did not win but the spirit of Homecoming still prevailed!

1. PAULA SPADY and PAUL PIETROWSKI smile as they hear the announcement of the Queen. 2. MICHELLE KASHOUTY and JIM-BO GIBSON pose for the crowd. 3. SHERI VENABLE and BUBBA MALLORY watch the other attendants. 4. The smiles of BECKY WILLIAMS and ROBERT LAUFER brighten the court. 5. VICKI BABER and BOBBY KING make a striking couple.

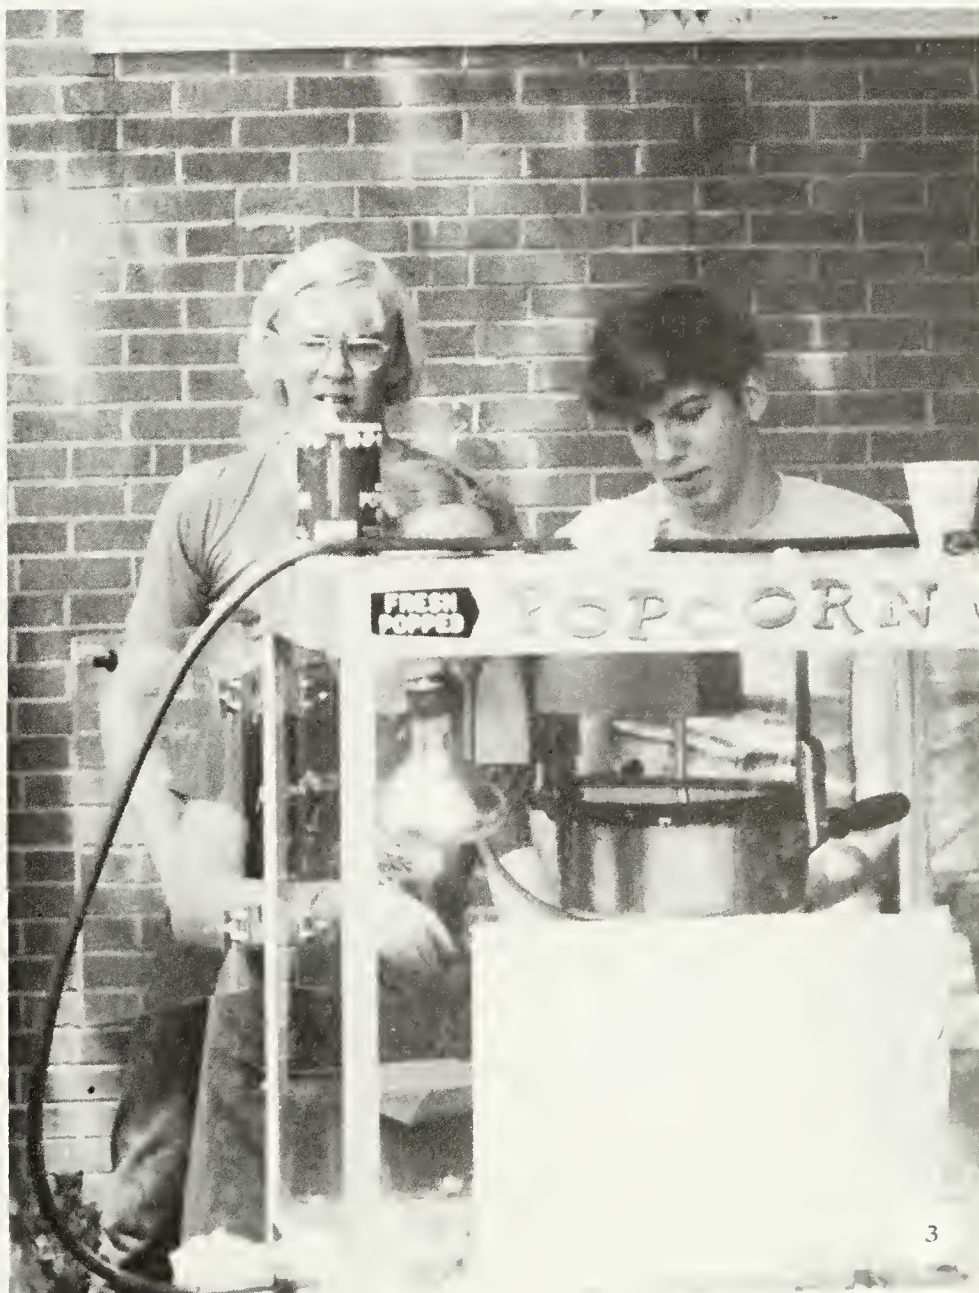

MAY DAY IS PLAY DAY

1 MR. PRICE poses for a picture sponsored by the talented Art Department. 2. Setting up, the German Club is ready for May Day. 3. MR. LOWELL THOMAS gets all wet in the sponge throwing contest.

1. CHRISTINE BRYAN checks over inventory, while WYNNE PHARES awaits the next customer. 2. ALAN McDONALD and ANGELA BARCLIFT fix hot dogs sponsored by the Krabba Highlight. 3. DAN ABEL mixes another batch of popcorn.

Although May Day was postponed from May 1 to May 19, it was a spectacle to see. After weeks of rain, the sun decided to shine on Hampton for May Day. This brightened the spirits of the faculty and the students to make May Day of "78" one of the best Hampton High School had ever seen. Many clubs and organizations set up booths for refreshments and contests. The stage band performed on the back lawn and there was a dance in the gymnasium.

WE WISH UPON A STAR

May 25, 1978 was certainly a big event in the minds of Juniors and Seniors. May 25th was the night of the Prom at the Hellenic Community Center. The Juniors, after a year long effort of raising money, picking the band, and selecting a special theme, gave the Seniors a wish come true. This event was a starry night the Seniors will never forget.

1. EVE HEHLE and JAMES MASSINGALE dance to the music of HARVEST. 2. Jerome Craig and his date enjoy a slow number. 3. ALAN WALDEN and his date enjoy the new dance craze, the Pretzel. 4. Many couples dance the night away. 5. The music of the evening is provided by HARVEST. 6. Mistress of Ceremonies for the Prom is DEBORAH DAVIS.

CLASS NIGHT AND REHEARSAL DAYS ARE FUN

1. Taking a minute to relax, seniors catch up on the news. 2. LEMONT HOLT, WARREN HUNNICUTT, WILLIAM BROWN, and DWIGHT LYNCH participate in a cafeteria skit during class night. 3. Marion Stevens sings fare well at class night.

Class Night and Rehearsal Days marked a symbol of school closing for seniors. Rehearsal days were long and hard but lots of fun. Students were thrilled with getting out of class, meeting new people, and exchanging cards. Class night revealed senior talent through skits and remembering the good old days.

Commencement exercises were held Sunday, June 11, 1978, at the Hampton Coliseum. Much time and effort had gone into correct pronunciation of names, line up procedures, and general procedures for receiving the diploma. Over one half million dollars was awarded in scholarships and assistance. At least three students received scholarships for \$55,000 each. Sponsors Ms. DORIS DANCY, and MR. BOB TYSON, students, parents, and teachers found that this long awaited joyous occasion was a complete success.

1978 PEOPLE

It is virtually impossible for a school to achieve the status of "Number 1", without "Number 1" people. The Crabber student body, faculty and administration contributed their "Number 1" spirit to make 1978 the best year ever at Hampton. Although each Crabber's contribution differed in certain ways, they were all necessary and added much to the final outcome - a great year at Hampton High School.

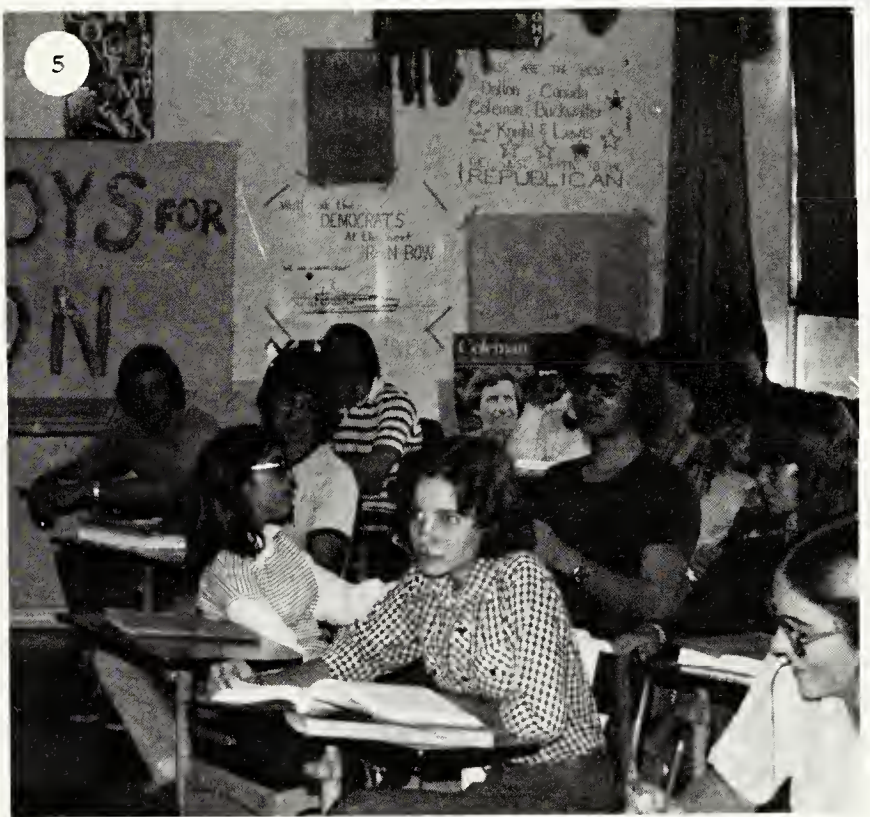

1. The Pentran bus provides transportation for JAY MARSHALL to and from school. 2. In the cafeteria, JAMES DAVIS intently butters his roll. 3. At the Bethel game, the Crabber fans are enthralled by the action. 4. MS. GLORIA WILLIAMS points out the corrections she has made. 5. Prior to the gubernatorial elections, MS. SARAH LIVINGSTON'S government classes enjoyed decorating her room. 6. COACH TYSON attentively watches the football game.

Sponsor BONNIE JONES proved that hard work does pay off. The staff and the new sponsor published three news magazines, sponsored a dance and talent show, and held a horror film festival. They also sold stick pins and maintained a candy store. Acquiring a dark room and a staff camera were also highlights of the year. Co-editors were Angela Barclift and Paula Spady.

Students' Choice

The 1977-78 SCA did much of which the students were not aware for the student body. Aside from the usual events, such as the Thanksgiving Food Drive, the Christmas Assembly and May Day, the SCA had four members on the Building Advisory Council who worked for the students. On the city level, HHS's SCA had two members on the Exective Board of the Hampton Association of Students Council. Also, three members of Hampton's SCA were on the Student School Board which met monthly with members of the Hampton School Board. In effect, the 1977-78 SCA not only provided services for HHS, but for all the schools in the city.

Step To The Music

Popular tunes such as "Sir Duke" and "Gonna Fly Now" could be heard whenever the marching band performed. Under the direction of drum majors MIKE ROWE and DANA GILLIS, the band participated in half time activities, assemblies, and various parades. Endurance and talent were the main ingredients combined to make the band successful. They practiced vigorously after school and football games in order to play and march in perfect unison. The band displayed all of this determination and work at the State Marching Competition, where they won sixth place.

1. Standing proudly, GENE HAYES watches for the cue to begin marching. 2. In harmony, members of the band end their performance with one last note. 3. Band members leave the field exalted after a victorious football game against Menchville.

Hampton High majorettes added a special touch to the band in "77-78". Smooth movements with precision was the key. Bright and alert, the squad was always filled with smiles. Stepping high, the majorettes were the first to be seen as the band marched in. A lot of practice went into the routines, and the work paid off for them, gaining recognition for themselves, the band, and the school. The members of the squad were as follows: Tammy Ward, head majorette, Stephanie Griffin, Blondell Griffin, Patty Walton, Eva Whiteed, Kathy Pace, and Nancy Henderson.

1. Majorettes lead the band as they march into Darling Stadium. 2. KATHY PACE concentrates on her next move. 3. Smooth and precise is how (l to r) KATHY PACE, NANCY HENDERSON, and EVA WHITEED twirl their batons.

forensics dominates district action

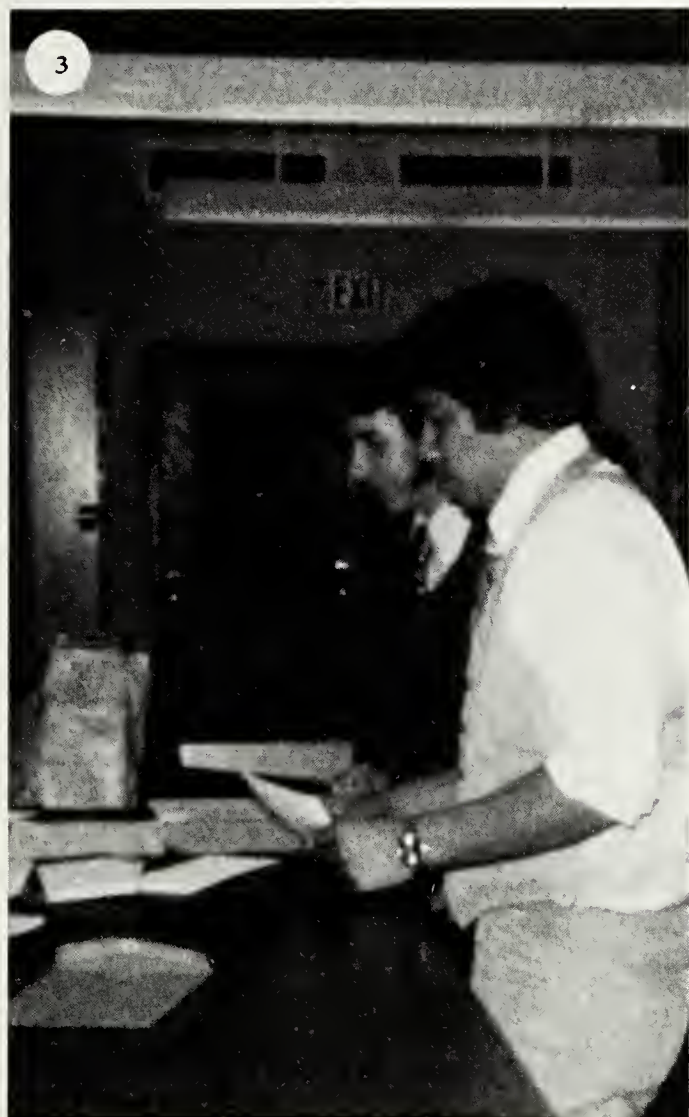

1. Forensics: Front row: Donna Williams, Paula Spady, Tim Strickland Back row: Mrs. Edwards, Becky Lynch, Elizabeth Tudor, Alex Teitelbaum, Dan Abel 2. Dan Abel is on the verge of winning the American Legion contest.

Tryouts for Forensics began in early December with a panel of teachers working as judges to help MRS. EDWARDS select team members. Practices then lasted for two months before the team took first place in the district, proving again that Hampton is number one. Winning in the city-wide competition were ALEX TEITELBAUM, Boys' prose; ELIZABETH TUDOR, Spelling; DONNA WILLIAMS, Girls' Original Oratory; and DOUG TOWNSEND, Boys' Original Oratory. Taking third place in the district were DAN ABEL, Boys' Extemporaneous Speaking; AMY ALLEN, Girls' Poetry; and TIM STRICKLAND, Boys' prose.

In the Regional finals, ALEX TEITELBAUM won first place with ELIZABETH TUDOR third. DAN ABEL won the Voice of Democracy contest from Hampton for his speech about "My Responsibilities to America" and finished second in the district. Dan then won the district prize for the American Legion Oratorical Contest, a competition involving an 8-10 minute speech on the Constitution using no notes.

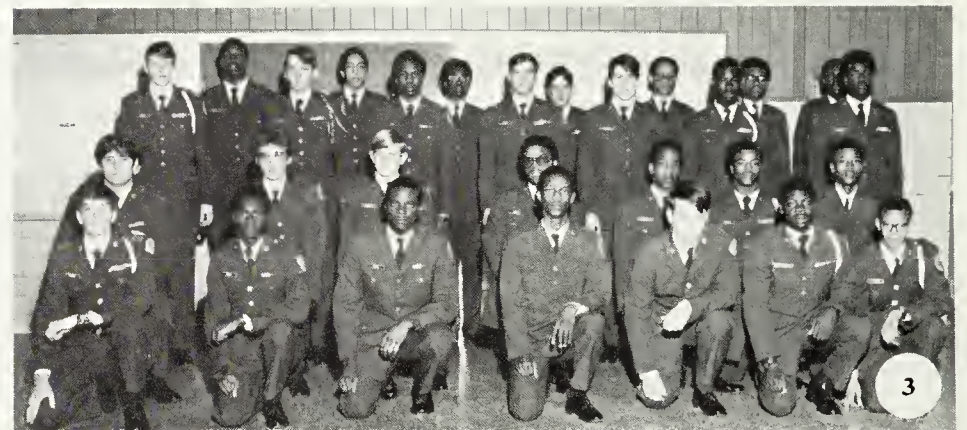

The team was further supported by the efforts of BECKY LYNCH, Girls' prose, and PAULA SPADY, Girls' Extemporaneous Speaking.

Participants in Air Force Junior ROTC discovered that marching can be very competitive. Whether it was the Marching Elites, the Rocket Club, the Honor Guard or the Royal Marchettes, the excitement of marching competition was immense. JEFF SPENGLER, Cadet Captain of the Rocket Club, led his people in an exhibition at Jane Bryan Elementary and the money raising projects which included car washes and doughnut selling. Cadet Captain Melody Moore commanded the Royal Marchettes in exhibitions at football games and parades and she organized the fund raising project which yielded over three hundred dollars for new uniforms. The Honor Guard actively presented the colors every morning and at football games. Cadet Captain ARTHUR JOHNSON and Cadet First Lt. GIGI MAURO led the Honor Guard at such services and in

various competitive parades. The Marching Elites, commanded by Cadet Major DARREN McDEW, received first place for their intriguing drills at both the Denbigh Day Parade and the Hampton Institute Homecoming in December.

SWIGGETT organized a Vocal Jazz Ensemble for selected students of the A'Capella. The Ensemble performed at the Fall, Winter, and Spring Concerts. They also sang for various organizations in Hampton and travelled to James Madison University for competition. The accompanists for A'Capella were KATHI CROWDER and JUDY HUDSON. JUDY HUDSON also accompanied the Jazz Ensemble.

Annual Staff Enjoys New Room

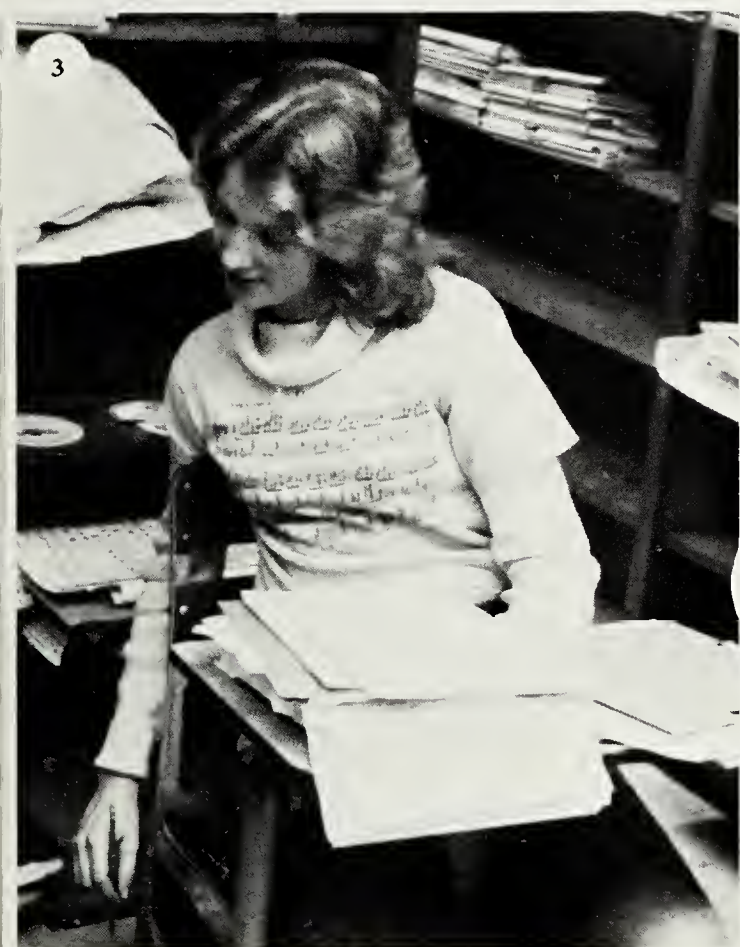

2

A new room was acquired by the annual staff which made the production of the 1978 KRABBA a little easier. The acquisition of the old bookstore, in the center hall, provided a more convenient location for the staff workers, in addition to providing more spacious work areas.

Once again, the yearbook staff traveled to Charlottesville to participate in the Virginia High School League Publications Workshop. The hard work of the 1977 yearbook staff paid off, as they were awarded a first place in the annual competition. This motivated the 1978 staff even more. Their goal was to outdo the yearbook which had acquired this award. Therefore, hard work combined with much determination was necessary to complete the KRABBA Annual.

Krabba Karavan Speaks Out

Krabba Annual Take 1
5...4...3...2...1... Roll the
tape
(Mic 1 & 2 open)

This is the Krabba Annual presenting Hampton High School's radio club the Krabba Karavan's "Just a Closer Look-The Members of Our Club."

A-Well, this season of the Krabba Kravan radio shows are complete.

B-Yeah, and the club did some really good things, considering they started from scratch.

A-They had terrific writers! One such was DONALD SAWYER-Mr. Morbid, who wrote some excellent scenes.

B-Yes, but don't forget he had Mr. Precise-GREG DAVIS to help out with all the facts.

C-Then after all the good writing SHARI HUTCHINSON-the Great Commentater made sure that the words would mean something to the listeners.

A-She had a way of saying something that made the listener think about what was being said. She gave the show a real meaning.

B-The listeners also had to think about what BEVERLY PORTER-Miss Speedy said.

C-She could read anything put in front of her in five seconds.

A-And let's not forget that darling couple Peg & Paul, played by JILL FISCHER and STEVE HANNAH.

C-Yeah, they played a real tear jerker, didn't they.

A-One that will never be forgotten.

B-Hey! All these stars that we've been talking about are seniors. They contributed a lot to all the shows and the club. It's a shame that they have to graduate and can't be with us for another year with their newly discovered talents.

C-Talking about newly discovered talents-it was the first time any juniors had been with us.

A-And they did a terrific job. They consisted of STAN JONES-Your Big Brother, LARRY CHAMBER-Mr. Excitement, and CALVIN TIBBS-The News Caster.

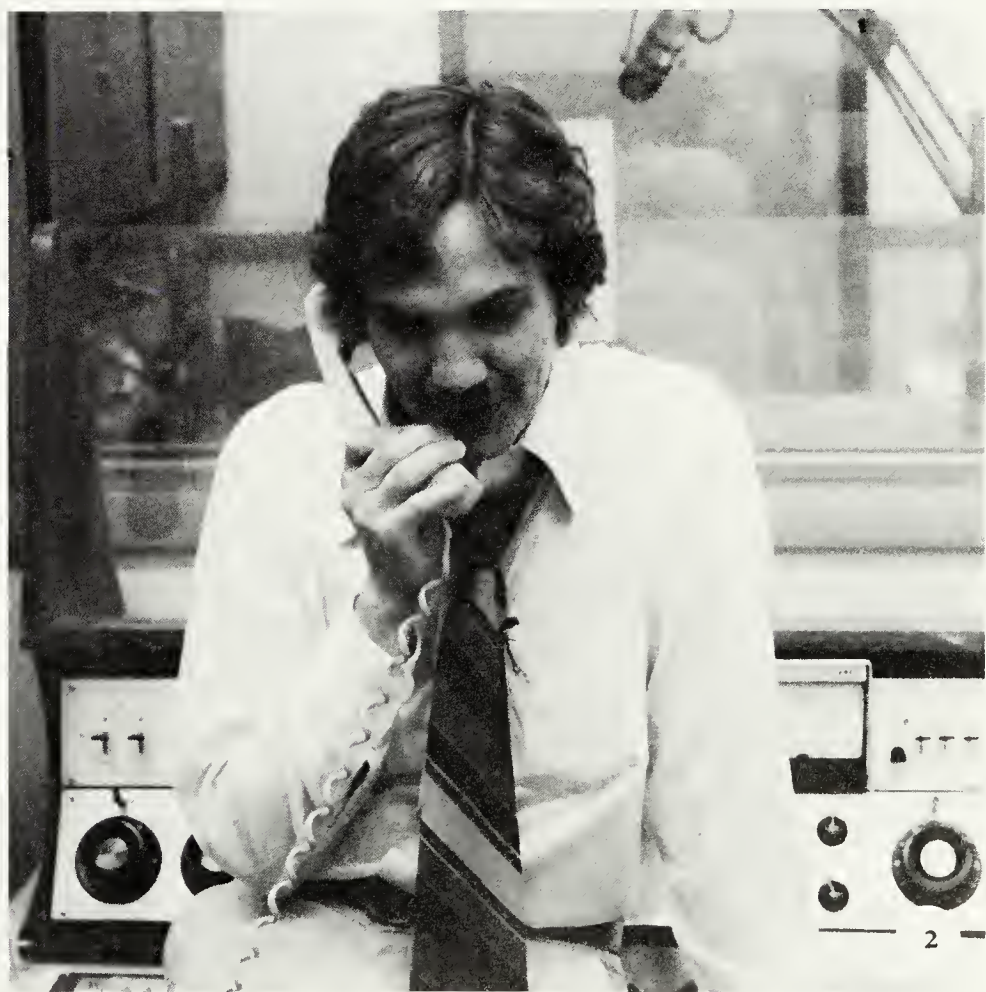

B-Let's not forget the rest of our cornerstone-KAREN WALDEN and NADINE SAVILLE.

C-Although the sophomores hadn't been with us very long, they learned the ropes of the trade fast and contributed a lot to the last show. They included BECKY ROOKS, GAIL CATON, SARAH SACKS, and KEITH MCKOY.

B-It was a good year, but it wouldn't have been much if it weren't for Coach Scottie-MR. SCOTT. He was the sponsor that really made the show tick.

C-The show was a big success because of the excellent, behind the scene skills of "SQUEAKY-NEAL" STEELE and MIKE CLARK. Their time and effort could never be repaid. The shows were the best presented on WVEC AM.

1. During one of Krabba Karavan's marathon sessions, BECKY ROOKS cleans a tape cart.
2. "REAL NEAL", chief technical advisor, takes time to help the staff.

BAS shows quality

1. BAS president, ANNETTE SLIDGE along with other members, present Thanksgiving project. 2. In the role of librarian, SHARON LAMB checks the overdue list. 3. DEBORAH DAVIS sings with feeling the words of an old Negro spiritual.

Through their many programs and projects the Black Awareness Society showed their awareness. Whether sponsoring a food drive for the needy or showing negro history through a skit, the Black Awareness Society was teaching love for all mankind. The best sign of quality around.

1. In the portrayal of a white family LINDA TAYLOR and BRIAN NEWKIRK look in awe as SHERENDA OUTLAW explains the events of her day. 2. In a skit, SHARON FORD plays a white classmate. 3. Talent of black entertainer Billie Holiday is portrayed by VANESSA THAXTON. 4. KEYETTES AID THE ELDERLY

The Keyettes started their year early by collecting advertisements for stadium cushions in the summer. They sold the cushions at the first football game. The girls then participated in Hampton Fair Day by selling candied apples. Other projects included tray favors for the Hampton Convalescent Center monthly, Bingo with the elderly, and binding books for the library.

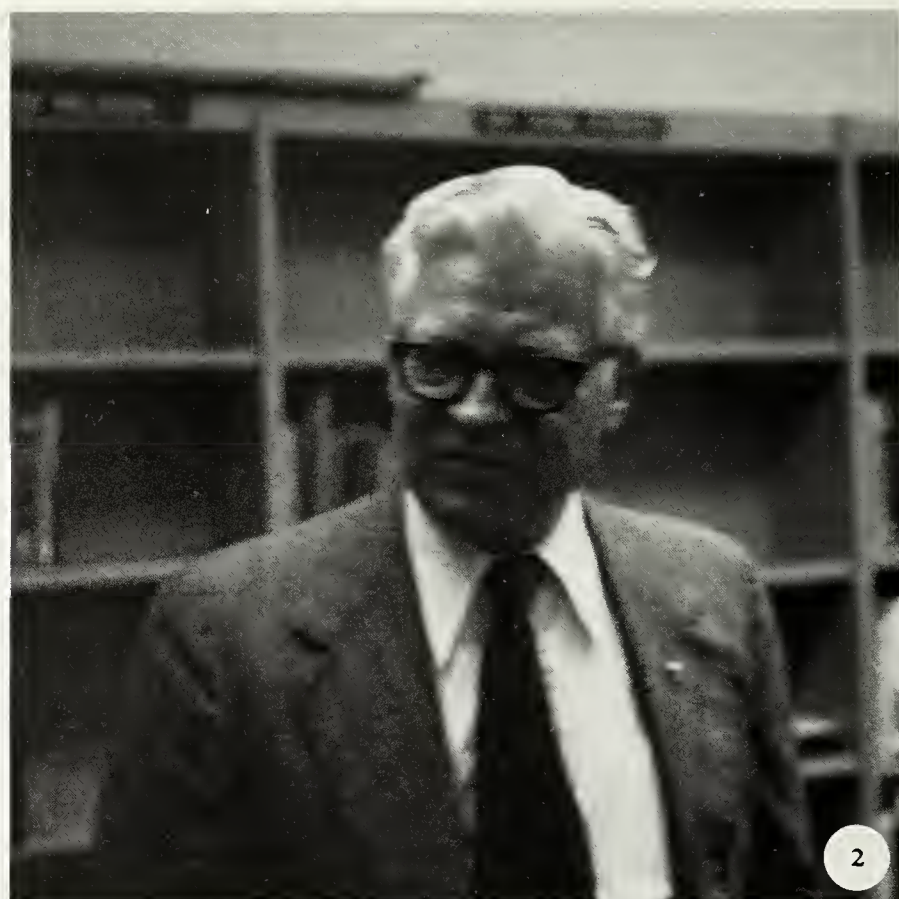

In the middle of the year, the Keyettes suffered a drawback when their sponsor, Mrs. DelCastilho moved. The girls found their new sponsor, Miss Pinchback to be a real pleasure. Both the Keyettes and their new sponsor had an enjoyable year.

The Key Club, headed by President PAUL PIETROWSKI and MRS. WADE had a busy year in 1977-78. Some of their projects designed to benefit students at H.H.S. were the sale of football programs in the fall, publication and distribution of Crabber directories, and the sponsorship of Teachers' Appreciation Day during Key Club Week.

In addition to these functions, the Key Clubbers served as ushers for the

handicapped at Lee Elementary School, worked at the Patrick Henry Hospital Fair, participated in the Crop Walk for Mankind, attended services at the Wesley United Methodist Church, and collected money for leukemia patients. Providing assistance throughout the year were officers BILL WHITLEY, Vice-President; GREG WOOD, Secretary; PETER STEIN, Treasure; and Allen McDonald, Chaplin.

LA CULTURA ES INTERESANTE

Spreading the knowledge of the Spanish Culture was the purpose of the Spanish Honor Society. Better known as "La Tertulia", the Society started the year by learning about Colombian Krafts followed by a "Day of the Dead" Banquet. The induction of new members was held in February with a program including the life of Adolfo Becquer. The year ended in March with a "fun night" and the election of officers.

The Club also competed in the ICC soccer games where they came in second place. At Christmas, the club went to Hampton General Hospital and sang Christmas Carols. They ended the year by selling paper flowers on May Day.

Fund-raising activities for the year included the selling of Mrs. Smith's Pies and CHUPA CHUPS which is a Spanish lollipop.

German Club Is Active

The German Club had a very active year. The club started and ended the year with a trip to Busch Gardens.

At the beginning of the year, the club sponsored CONNIE PHIPPS and ALLEN WALDEN in a DECA Dance-a-thon. The couple danced 48 hours to finish in fifth place.

At the football homecoming parade, club members endured almost two hours of freezing rain to take first place in the parade.

During the October Fest and Fasching seasons, club members dressed themselves in colorful costumes to help celebrate the occasions. To

celebrate the Christmas season, the club held a formal banquet.

Along with the other foreign language clubs, the German club participated actively during Foreign Language Week. The weeks' activities included two banquets, a mini-olympics, and a costume day.

Throughout the year, money was raised by selling "gummy bears", Swiss chocolate, and Advent calendars.

The club sponsor was JOHN MUELLER. The officers were: CHRISTINE BRYAN, President; STEVE HANNAH, Vice-President;

CONNIE PHIPPS, Secretary; DAVID BELEW, Treasurer.

The German Honor Society did not have a very active year. The society initiated its new members at a dinner at Das Walt Cafe. Officers for the year were: PAM CALDWELL, President; MICHAEL BERNOT, Vice President; CHRISTINE BRYAN, Secretary; and GREG WOODS, Treasurer.

During March and April, the German Exchange Program was proud to host 17 Germans from Frankfurt.

Excellence Is Honored

Those Juniors and seniors who maintained an 8.0 quality point average over three semesters were honored with inductance into the National Honor Society in April. As an added treat, the new members were entitled to receive the society's pin or charm free of charge. During the year, the National Honor Society members sold singing Christmas grams and held their annual picnic at the house of their sponsor, Mrs. Sarah Livingston.

"Buy your academic T-Shirt today!" The main project of the Math Honor Society was to promote academics through a T-Shirt sale. Such designs as Pascal's Triangle and the anatomy of a frog were available for the students to choose from. The shirts were definitely unique and popular. Also, the annual induction of new members was held in February with Shari Hutchinson presiding.

LATIN COMES ALIVE

The Latin Club started the year with a bang. The club sold two-year calendars to help their treasury. During the Christmas vacation, the club held a pizza party at Vancostas. Later in the spring, the members took part in the activities planned for Foreign Language Week. The members also attended a city wide Latin Banquet at Bethel High School. The club also planned to visit the Museum of Fine Arts in Richmond.

Future Homemakers of America (FHA) was an active organization, helping others and themselves to a brighter future. Many of the girls' plans were to go into some field of Home Economics after their high school years. This organization was a prepratory stage for a future filled with fun and satisfaction.

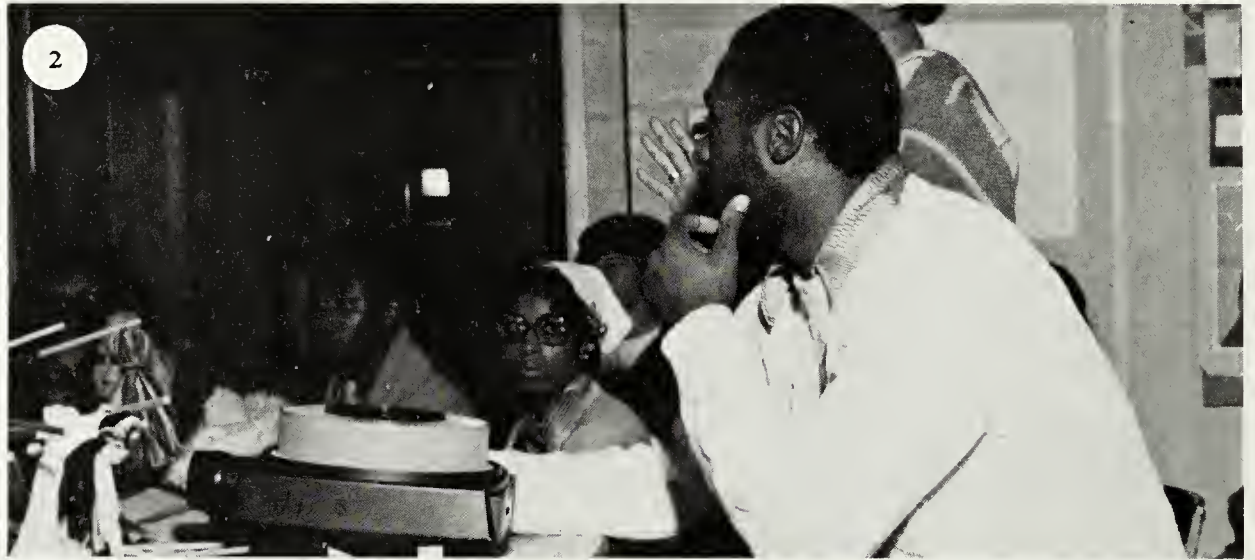

Student's Association for Education (SAE) were the future teachers of the world. This organization had students interested in becoming teachers from music to physical education. Being active in school events was good experience for SAE members. Whatever the future had to offer, the members of these organizations were ready to handle it.

They printed the current Key Club directories which included all student names, addresses and classifications. The dependable club was responsible for the Peninsula District basketball tournament programs in February. Graphic Arts Club took the credit for the artistic Hampton High championship football bumper stickers which sold like hot cakes after the victory.

As a favor to Mr. Johns, the club printed the valid student behavior posters which were distributed in the classes. Another fund raising project of the club which also benefitted the faculty was the personalized memo pads for the teachers. This added a touch of class to their paper work.

Selling pennants during the first part of the year, Varsity Club brought several gift items for the school. Leaders were Coach CHIM STOGNER, sponsor; KEVIN CROCKER, president; Martin MILLER, Vice president; and PAT SPROSTON, Secretary. Each meeting was like a cook out, thus business was mixed with pleasure. Highlights included the District Sports Banquet at the Blue

Hawaiin Restaurant at Coliseum Mall. Old and new members received paddles, which were used as a part of initiation. A very light tap of the paddle was used to officially initiate the new members. New members were also required to carry their paddles the next day, which was an honor because the paddles brought added attention from the entire student body.

ICC PLANS YEAR

The Inter-Club Council was composed of representatives from each club, usually the club presidents. They planned the Homecoming Parade which was ruined by rain. The ICC Soccer Tournament was also an activity organized by the club presidents. Only six clubs participated in soccer with the Key Club winning first place.

The Council ended the year with the planning of May Day which was a great success.

The French club, which had been nonexistent last year, made a strong comeback during 1977-78. President DEBI SMITH called meetings on the first Wednesday of every month and club members raised money by selling candy to the student body.

The club's major fund-raising project was the production of "The Gone Show", a take-off on television's "The Gong Show." The club's sponsor, MR. BILL SOLOMON, and emcee PAUL PIETROWKSI, conducted rehearsals after school in effort to put the show together and the result was a great success. Contestants include singers, dancers, two

live bands, and various other acts performed before panelists MARTIN MILLER, MR. SCHINDEL, and MR. THOMAS. Though the judges could not decide upon a clearcut winner, two first prizes of \$25 were awarded and the show still profited over \$200. The money was used to finance a trip to Quebec for interested students and also to buy a gift for the school.

Mr. Solomon received further assistance throughout the year from the following officers: WYNNE PHARES, Vice-President; BARBARA HILL, Secretary; and JAN FINDLEY, Treasurer.

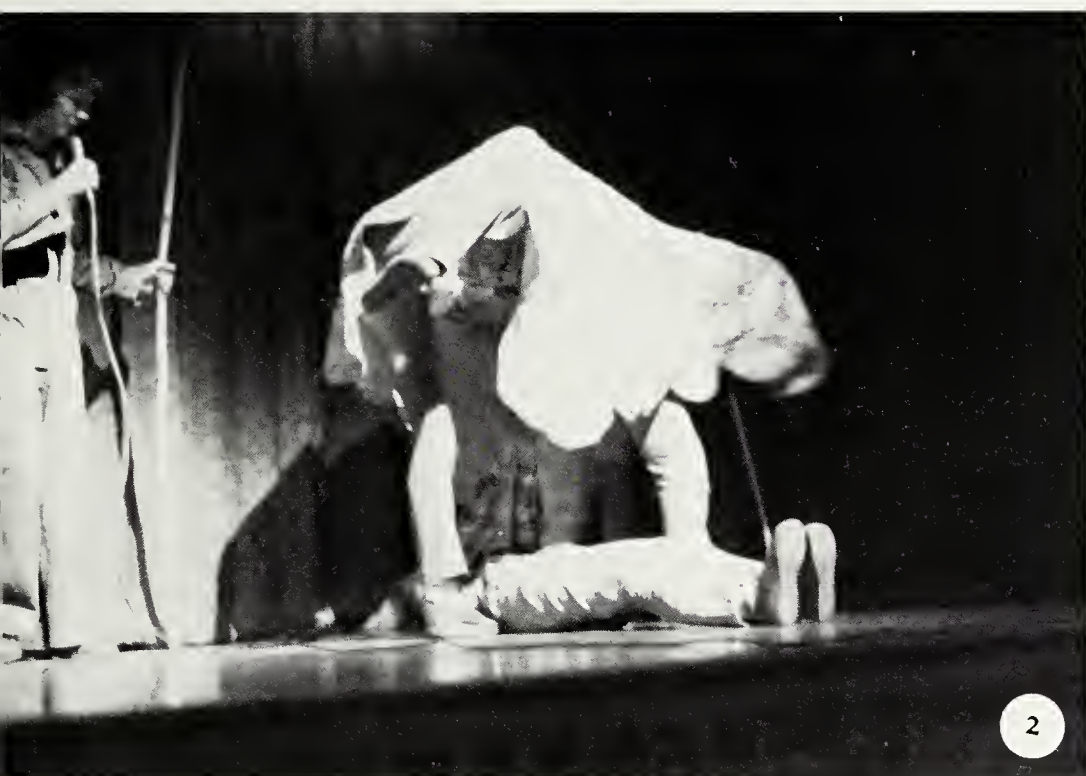

1. DEBI SMITH fixes refreshments for COACH EATON. 2. BARBARA HILL takes a moment to relax from secretarial duties. 3. 1978 SPORTS

The football team's acquisition of the State Championship Title was the sports highlight of 1978. The hard work and determination of these boys truly showed the rest of Virginia that the Crabbers were "Number 1". The fact is all those who participated in a sports activity at Hampton put forth their best effort and contributed much to the team. Despite the fact that some team's accomplishments outnumbered others, all participants were enriched by the experience their teams encountered.

Champions describes the 1977 Hampton Crabber Football Team. After a long season of hard-nosed practices and games, the Crabbers returned from Todd Stadium on December 3rd the 1977 State AAA Football Champions.

The Crabbers won the district title when they defeated Bethel in the final minutes of their last game. The post-season playoffs began with the Crabbers against the Bruins of Western Branch. The team won and advanced to the Eastern Regional Finals against

Norview. The Pilots demonstrated an overall improvement since the Crabbers beat them in the fifth week of regular season. However, the Crabbers were again victorious, and became the Eastern Regional Champions. To advance to the state finals, Hampton was victorious over Douglas Freeman who proved to be their toughest opponent during the total season. Yet, the state game against Gar-Field was the best because Hampton High School was No. 1 when time ran out.

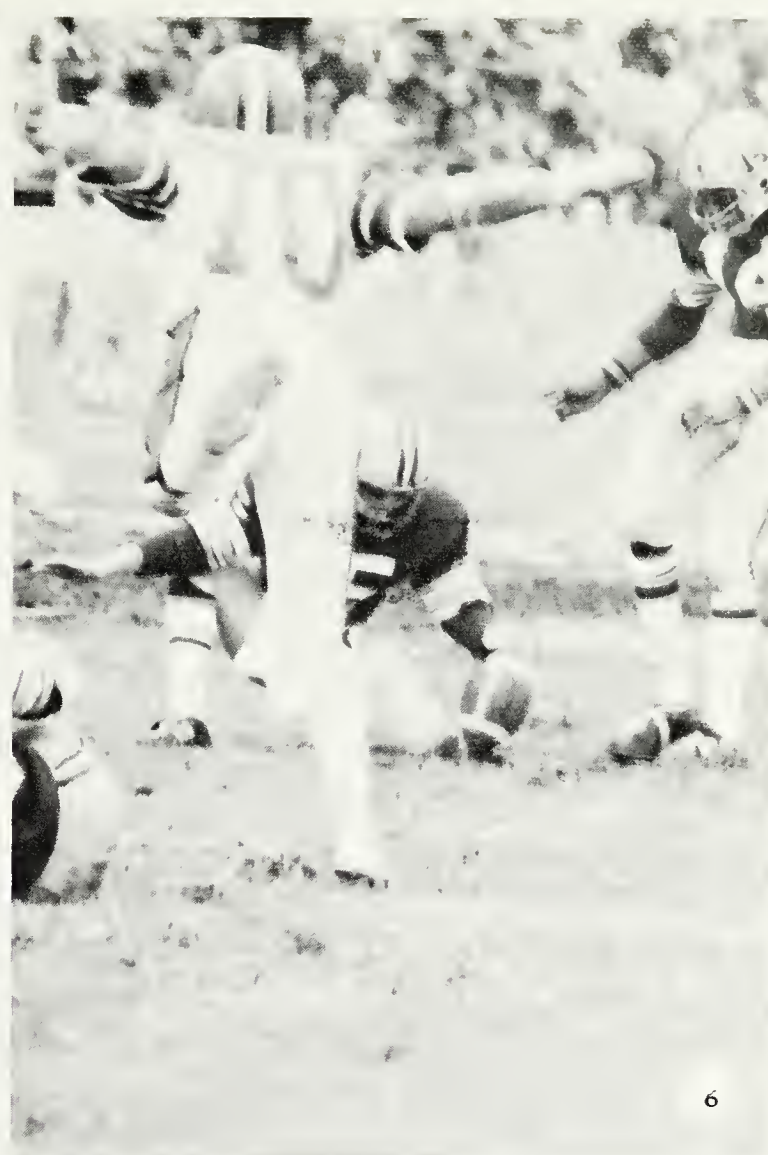

1. JAMES FOX tackles opponent in game against Norview. 2. Running back GREG TURNER excels in yardage. 3. GLENN HARRISON intercepts. 4. KEVIN CROCKER tackles opponent in game against Garfield.

Being a State Championship team, always has its rewards. However, the Crabbers never knew the rewards would be so many.

For weeks after the championship game, Hampton High School was flooded with college scouts recruiting players. They enticed the football players in such ways as lunching with them, bringing them gifts, and inviting them to their schools for the week-ends. Over ten players received full-scholarships to different colleges and universities.

Besides obtaining scholarships, the Crabber football team also was fortunate to have players named to the District,

Regional, and State teams. On the District team, there were eleven Crabbers; while on the Regional team there were ten, nine of whom were on the State team.

In addition to being on the State Championship team, Lemont Holt and Coach Smith received individual recognitions. Lemont proved he was No. 1 when he was named the No. 1 Football Player in the State of Virginia, as well as to the United States All-Southern Team. Coach Smith received the honor of being selected "Sportsman of the Year" by the Peninsula Sportsmen's Club.

"Champions" was the word for Hampton High junior varsity team. Winning the junior varsity district championship, the junior varsity squad successfully prepared for coming years with the state championship varsity team. Talent and skill were always present in the games, with

players Larry Warren (14), quarterback of the team and Aubrey Bryant (22) a running back. The number one spirit was kept and the sophomores of the junior varsity team knew that Hampton High was a home of champions.

Once again, the spirited and energetic Crabber cheerleaders were awarded the spirit stick at a clinic sponsored by the National Cheerleaders Association at ODU. This was only the beginning of a fun-filled and definitely exciting year for the girls. After all, not every cheerleader got the opportunity to root for State Champions. Although the extra games meant more practices and performances, the girls felt it was worth all the effort. The State Title was a memory they could cherish forever.

A young lady admitted that her biggest fear of cheerleading was the trauma of being trampled on by the excited students at a pep rally.

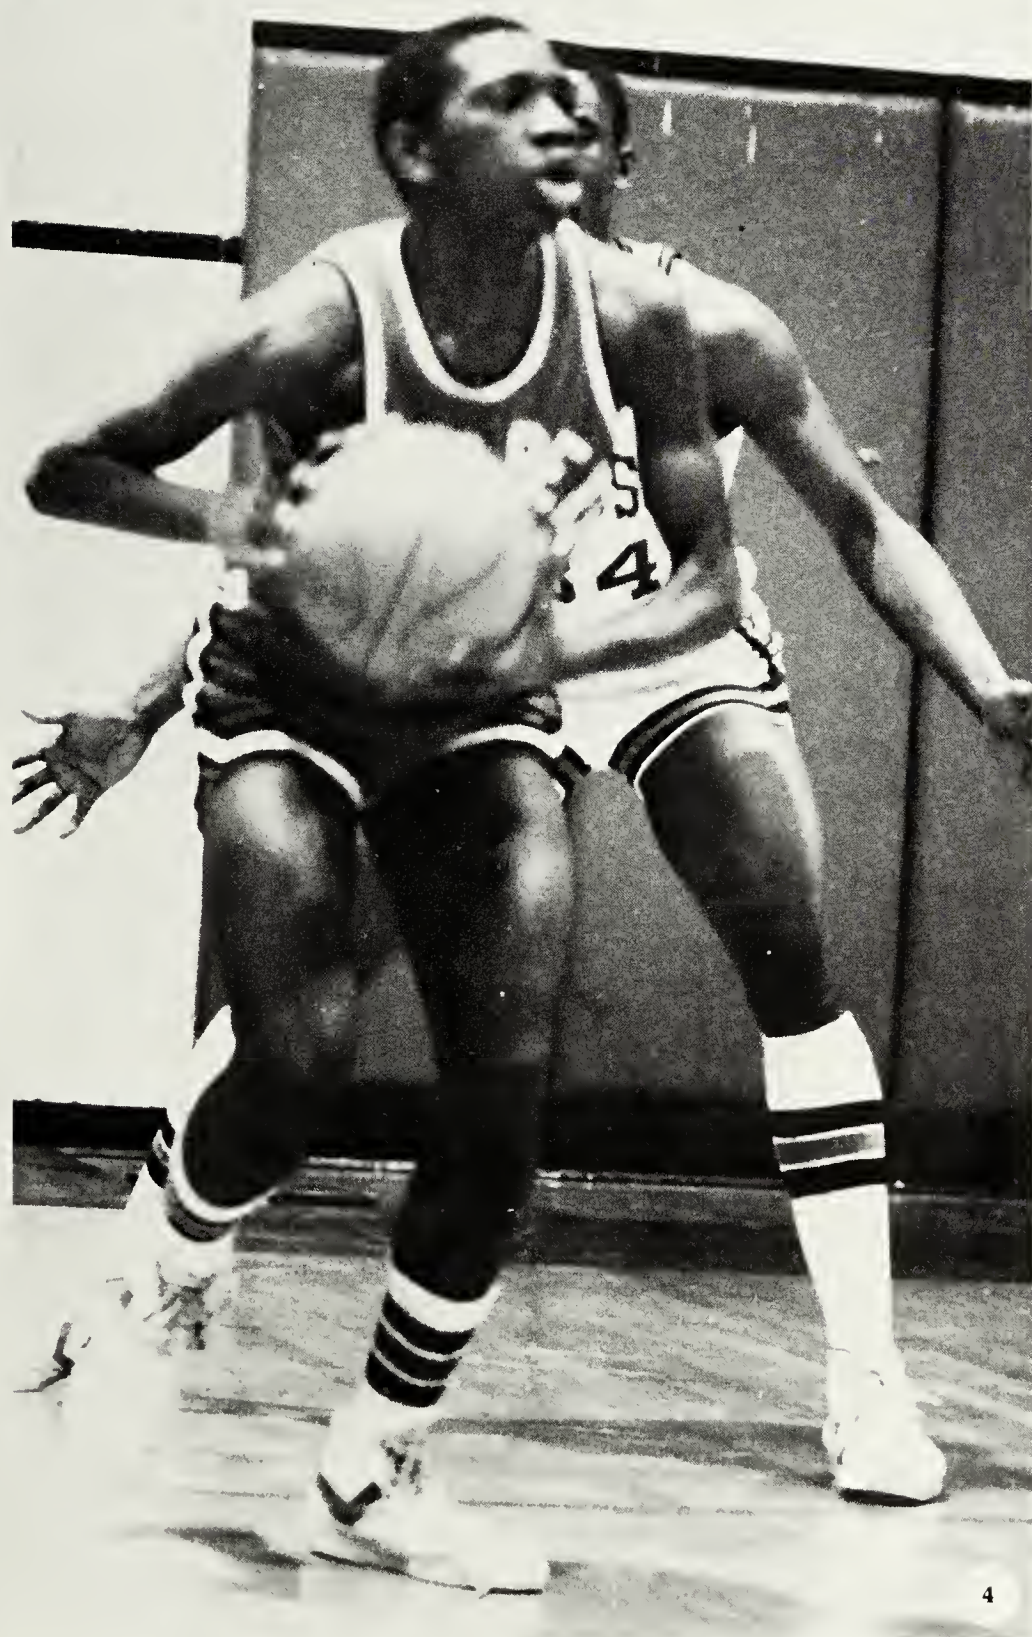

These girls also participated in extra fund raising activities which included the selling of all occasion greeting cards, chuckwagons and nutty buddies. The two squad leaders who helped to spread fellowship among the Junior Varsity cheerleaders were Joni Crepps and Pam Jordan.

TEAM MEMBERS WIN TROPHIES

The Hampton High School Basketball Team fought its way to a 10-10 record last season. Due to injuries to guards Carey Patterson and Robert "Rat" Brown, and football players appearing late for basketball, the team fell far below expectations. Coaches Herman Daniels and Chim Stogner taught the team well, but the breaks did not go Hampton's way. Dwight Lynch was the mainstay on the team, scoring 25 points per game and making the Peninsula All-District First Team. Senior guard, Carey Patterson was given an Honorable Mention. At the banquet at the end of the season, the team gave trophies to Dwight Lynch for Most Valuable Player, Steve Graham for Best Defensive Player, and Carey Patterson for Best Offensive Player.

FEW SUPPORT TEAM

After all the support the football team received, it was hard for the basketball team to gain support. During football season, the stands were jammed with loyal fans waiting anxiously for the team to win. However, supporters for the basketball team were hard to find. Students could not find enjoyment as they did during football season. At the beginning of the basketball season, the bleachers in the gym were only half full with spectators; but, when the District Tournament started, the HHS spirit came alive with the chants of "We're No. 1".

The 78 KRABBA staff apologizes to the JV Basketball team and COACH WALTER BROWER that there were no pictures. We sent photographers but unfortunately, we never got pictures. Although the pictures on this page are Varsity and Girls' team pictures, we hope the copy here will serve as a record that the team was definitely a part of HHS in 1978.

Members of the Girl's Basketball team all proved to be stars as their skill and determination led them to success. When all of the scheduled games had been played, the girls' record qualified them to participate in the district tournament, where they received third place. Next, they advanced to face the challenge of playing against other teams in the regional tournament.

Under the direction of Coach JOYCE HOBSON, the girls were able to use their talent to the fullest extent. Experience also played a role in the team's outstanding record. MICHELLE SKIPWITH, TONI

WHITEHEAD, BARBARA WATFORD, and DIANA CHAVERS lettered and starred for three years. In addition, BARBARA WATFORD was chosen as Most Valuable Player, DIANA CHAVERS for Best Defense, and CONNIE WATFORD as Best Offensive Player.

1. Showing her dribbling technique, TONY WHITEHEAD "fakes out" the other team. 2. TONI WHITEHEAD shoots a jump ball. 3. After releasing a jump shot over Menchville defenders, CONNIE WATFORD follows through.

The Crabber Indoor Track team enjoyed a very successful year in 1977-78 under the guidance of Coaches Vince Brown, Fred Hamilton, and Stan Widener. The team finished with a 5-3 meet record. In the District, Regional and State Meets, the Crabber runners obtained new heights. After last place finishes in the previous year, the Crabbers finished 4th in the District Meet with 68 points, and 5th in the Regional Meet with 29 points. In the State Meet the Crabbers produced State Championships with Dale Davis winning the high jump and the Mile Relay Team (Raymond Dillard, John Riddick, Kevin Daniels, and Musline George) winning that event.(3:30:4) The 5th place finish with 20 points represented the highest finish by a Crabber team.

The 1978 Crabber Track Team enjoyed one of its best seasons ever under the direction of new head coach Vince Brown, who was a member of Hampton's 1961 State Championship team, and his two super assistant coaches, Fred Hamilton and Stan Widener. This year's team finished with a 5-0 district record to become the school's first undefeated team. The team didn't stop with just being undefeated, as they were the Madison Relays Champions, Tidewater Meet Champions, Volunteer Classic Runner-up, Penn Relays 400 Meter Large School Relay Champions, Peninsula District Champion, and State Meet Runner-up. This year's team pro-

duced three State Champions. They are: Dale Davis, 6'8" in the High Jump; Musline George, Ray Dillard, John Riddick, and Sam Blackwell in the 880 Relay, 1:27.25; and Sam Blackwell, Kevin Daniel, Ray Dillard, and Musline George in the Mile Relay, 3:15.98. To top this outstanding year off, six members of the team were invited to compete in the Southern Track Classic in Orlando, Florida. Mile Relay team earned All-American Honors with the fastest time in history by a Virginia high school team as they ran a 3:14. It is hoped that this fine showing by this year's team will be the start of an era in Crabber Track.

Two returning lettermen, junior BILL WHITLEY and senior MIKE ROBINSON, assisted COACH BROWN. Sophomore members of the squad included DENNIS RATLIFF, JOHN SUTTLES, JOHN GEIGER, CHARLES WHITLEY, and HOP-

PIE CROWDER. The team was further represented by WAYNE "FLY" JOHNSON, JAMIE SHOEMAKER, KEVIN PALMER, and BRETT GODFREY. Two runners from this year's team, DENNIS RATLIFF and JOHN GEIGER, earned All-City Honors. The Girl's Track team had a very good season. The team broke several school records in various events-Deborah Jimmerson, in the discus with a distance of 104'½", Deborah Perry in the long jump with a jump of 16'11", Peggy White in the 440 dash with a time of 65.6 seconds and Celestine McNeil in the 220 yard dash with a time of 26.9 seconds. The team had two fund raising activities to raise money for the invitational meet. They also had a dance and several bake sales. Surely the Girl's Track team had truly contributed to Hampton High School in the 1977-78 year.

WAYNE EATON and BARRY BROWN coached the 1978 wrestling team. The team had a fair season, winning five matches and losing four.

In district competition, seven members of the team placed. They were KEVIN CROCKER, SOUTH PATTERSON, JEFF SISE, TIM HYATT, JEROME MITCHELL, TYRONE POWELL, and TIM THACKER. The team finished second in district, behind a threeway tie for first between Bethel, Mench-

ville, and Denbigh.

In regional competition, three members of the team placed. They were KEVIN CROCKER, SOUTH PATTERSON, and JEFF SISE.

The only member to place in State competition was KEVIN CROCKER. He placed fourth in the heavy weight division.

For two years, KEVIN CROCKER remained undefeated in the district. However, SOUTH PATTERSON, the team captain, remained undefeated in his first full year in varsity.

Assistant Principal, Joseph Price was the coach of the swimming team. The team participated in their regular meets and also participated in the First Annual Hampton City High Schools Championship Meet. The Coach offered the following poem as their motto for the year.

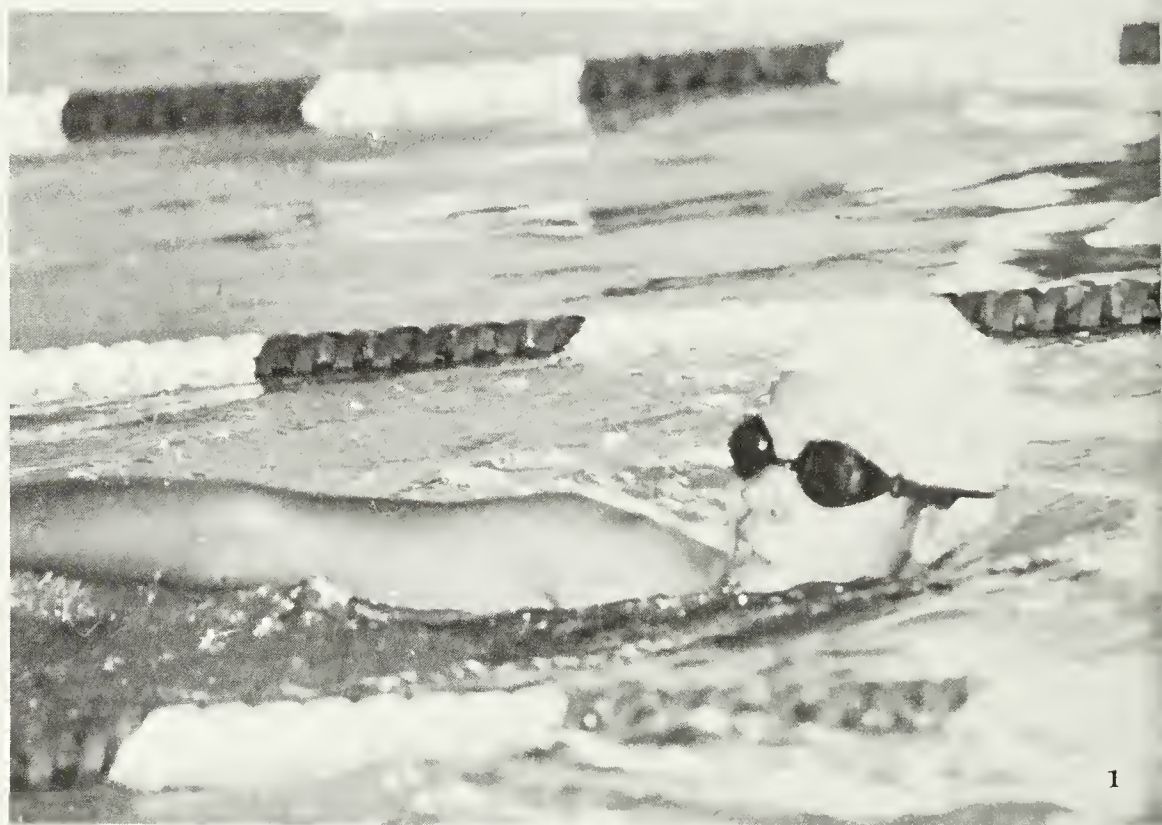

THE WINNER

If you think you are beaten, you are;
If you think you dare not, you don't;
If you'd like to win, but you think you can't,
It's almost a cinch you won't.
If you think you'll lose, you've lost,
For out in the world you find
Success begins with a fellow's will —
It's all in the state of mind.
If you think you're outclassed, you are;
You've got to think high to rise;
You've got to be sure of yourself before
You can ever win the prize.
Full many a face is lost
Ere ever a step is run;
And many a coeard fails
Ere ever his work's begun.
Think big and your deeds will grow;
Think small and you'll fall behind;
Think that you can and you will —
It's all in the state of mind.
Life's battles don't always go
To the stronger or faster man;
But soon or late the man who wins
Is the fellow who thinks he can!

PLAYERS GET ON THE BALL

Although the 1978 baseball team won only two regular games of the season, they never gave up hope. The team continued to try even after they were informed that they would not qualify for regionals. This determina-

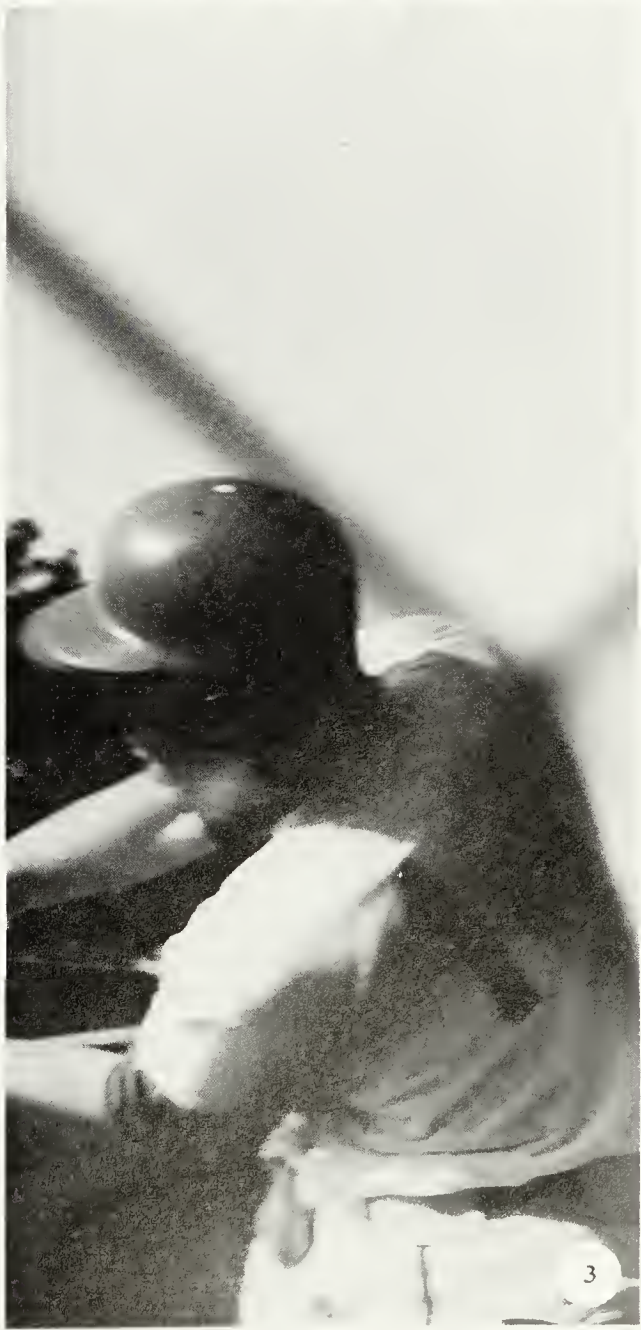

tion enabled them to win the last game of the season. Near the beginning of the season, pitcher and first baseman, STEVE SANDFORD held the highest batting average in the district.

1. TED QUINN waits to see where the ball is heading before he chases it. 2. Swinging the bat, TIM HYATT is determined to make contact with the ball. 3. Coach TYRUS WOODARD inspects KEVIN CROCKER'S knee after a slide.

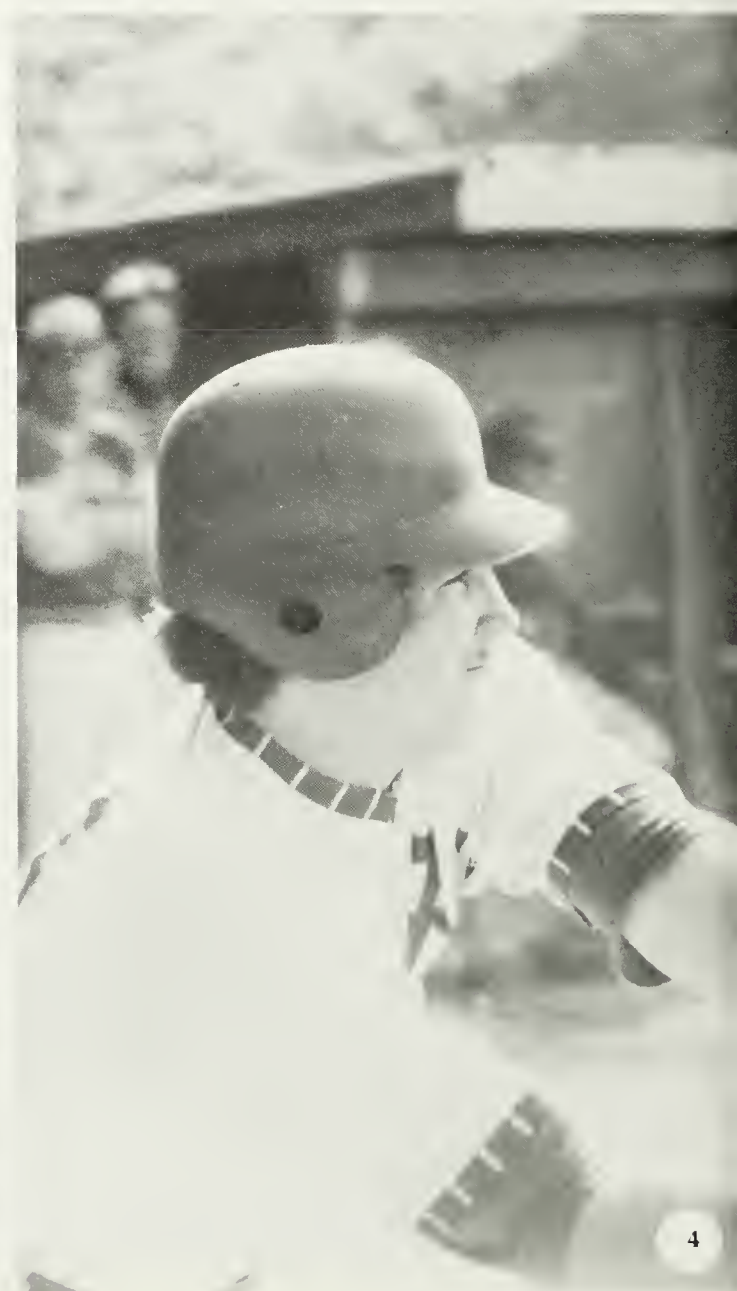

1. Watching the game carefully, Coaches WAYEN EATON and TYRUS WOOD-
ARD observe team members on base. 2. Exe-
cuting his style, STEVE SANDFORD puts a

SANDFORD twists in order to hit the ball.

1. Following through on his swing, KEVIN CROCKER hopes to get a hit. 2. STEVE SANDFORD plans to strike out the batter. 3. TIM HYATT uses all of his strength to get a hit, as STEVE SANDFORD awaits his turn at the plate. 4. Keeping his eye on the ball, KEVIN CROCKER is determined to hit a homerun.

TIM HYATT and KEVIN CROCKER, along with other team members tallied numerous homeruns. The team was constantly spurred on to do its best by Coaches WAYNE EATON and TYRUS WOODARD.

1. Catcher DENNIS NICHOLS awaits the ball in order to tag an opponent's out at the plate. 2. After hitting the ball down field, STEVE SANDFORD prepares to drop the bat before running to first base. 3. After warming up, STEVE SANDFORD releases the ball.

Junior Varsity Baseball Is Rained Out

1. Number 7 displays his batting form. 2. After catching the baseball, DAVID SANFORD begins his return. 3. DANNY FINNEGAN is disgusted after the ball rolls by him. 4. Before the game, CAROL ROWE waits while the team discusses the strategy for the game. 5. SCOTT BROWN awaits TERENCE McCORMICK's pitch. 6. While the runner tags base, JAMIE SCHUMAKER awaits the baseball's arrival. 7. Concentrating on a strike ball, TERENCE McCORMICK begins his delivery.

JV Baseball players had a mixture of successes and setbacks. At first, the situation seemed grim, when the team lost its first three games. However, they made a comeback and won six games in a row. Then rainy days kept the team members from practicing and they lost their last five games.

RAY KEETER was selected as the Most Valuable Player, winning the six games he pitched. Centerfield JEFF HYATT won the Best Hitting Award with an average of 435. He

was followed closely by SCOTT BROWN with a 429 average. DAVE SANFORD contributed much to the team as a third baseman. Team captain, TERRENCE McCORMICK was very busy. He played outfield, left field, short stop, and pitcher.

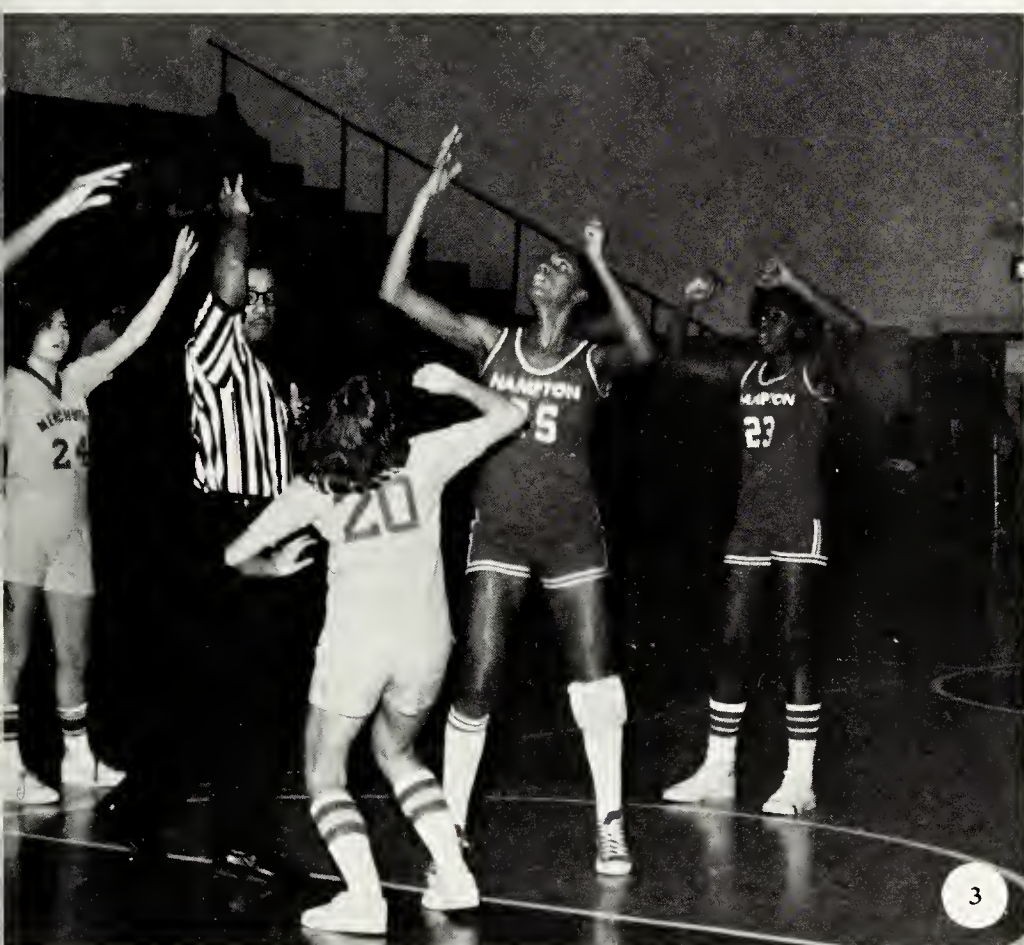

The team consisted of eleven players. They were TERRENCE McCORMICK and JEFF HYATT—team captains, SCOTT BROWN, DANNY FINNEGAN, GARY ROSS, RON QUINN, DAVE SANFORD, RAY KEETER, ALLAN

RICHMOND, DOUG MILLER, and JAMES SCHMAKER. Managers were CAROL ROWE and KATHY STOUT. Scorekeeper MRS. JERRY TURNER, supported the team and COACH JERRY TURNER all the way.

1. Running the relay, STEPHANIE GODWIN makes good time. 2. SAM BLACKWELL takes over first position. 3. DAVID FIEDOROWICZ is close to gaining back points. 4. Set to go, BILL HERIFORD waits with his opponents.

Throughout the year we led the way in sports. Whether the effort was put forth by a team or an individual, all Hampton gained from their efforts. However, in the face of victory, there was defeat, but everyone was his own champion.

1. DALE DAVIS makes his way to the high jump. 2. Pushing for the finish line, HOPPIE CROWDER increases his effort. 3. DIANE CHAVERS and BARBARA WATFORD wait for the jump ball. 4. The Varsity Football team sets its offense.

WE LOOK BACK

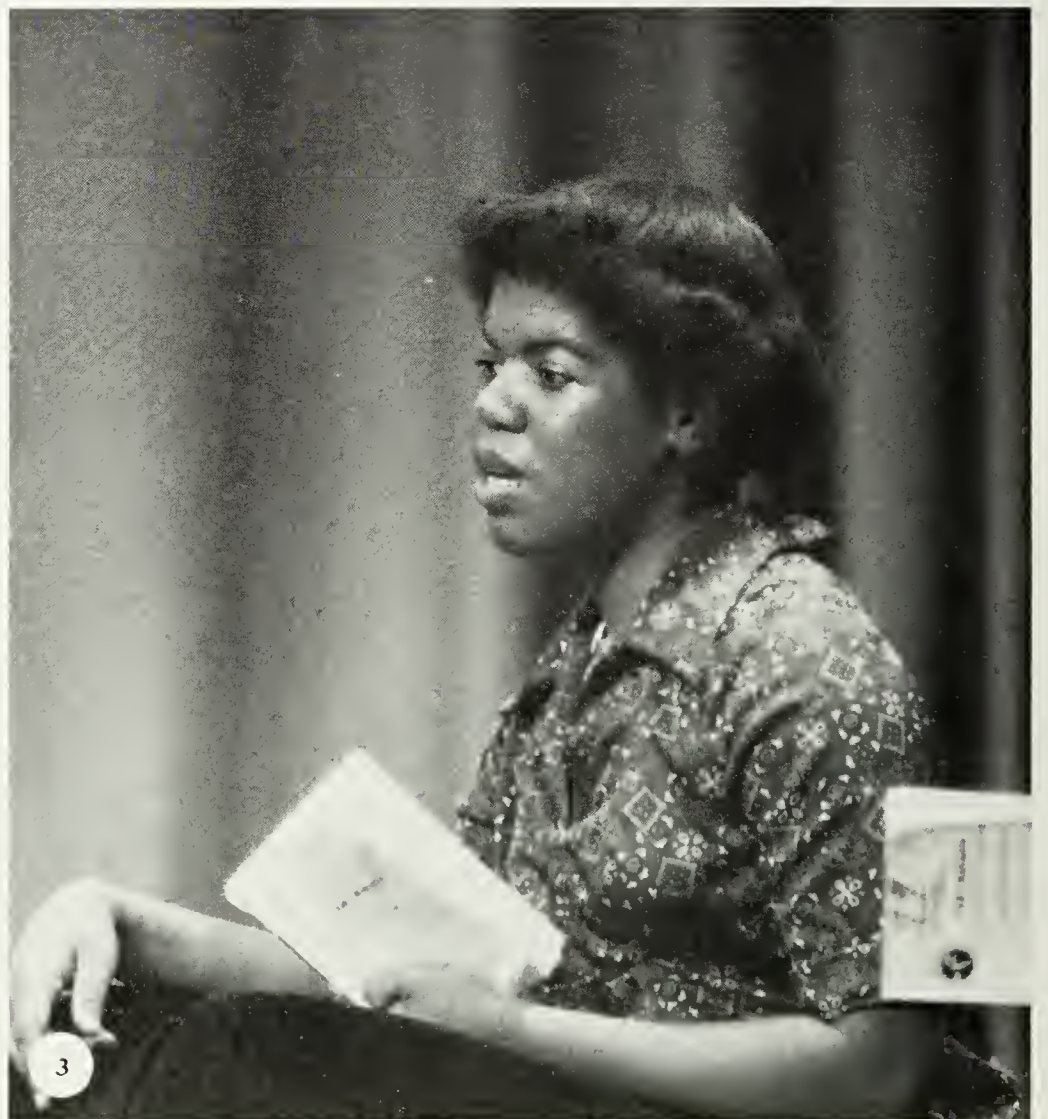

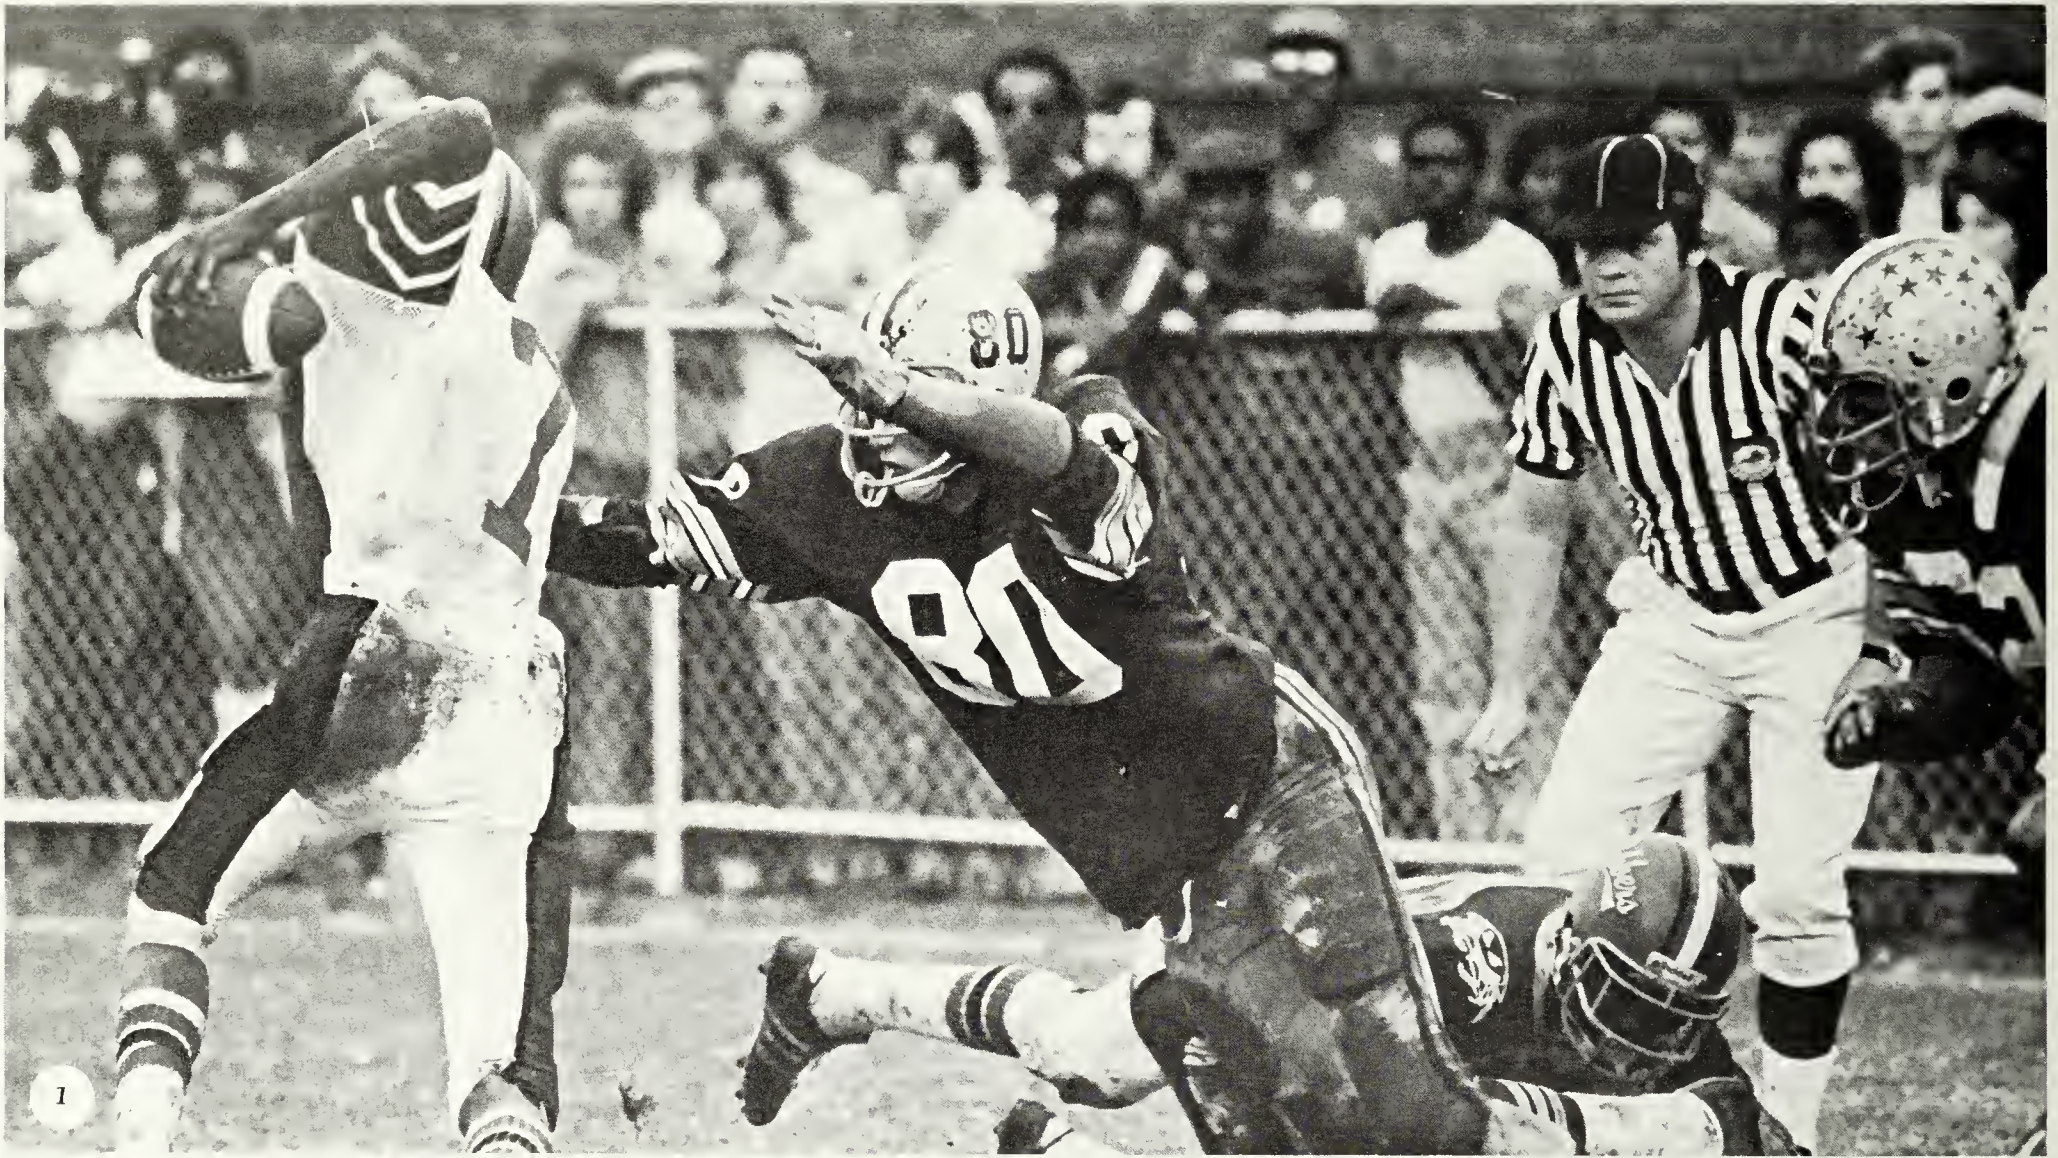

As I drove past Hampton High School
On that hot summer day
How it stood there, tall and proud,
Yet in a sad sort of way.
Its old bricks of rust colour
gave off a certain charm
and a sweet rosy look.
As it stared back at me,
it seemed to say
I know you little girl like a book.
The joy, the laughing and even the
crying of you and all of those things
that I; yes I; took care of;
I knew those dreams and that goal of yours,
so I kept you on your toes.
When my train of thought was
interrupted by some passing car
I thought of all my friends and me;
Yes, I said to myself; we have come far.
I thought we'd all soon become adults
and the time would come when
we'll all go out into the world,
but the memory and the love for
Our school will never be lost.
Now I'll end this with a thought so dear.
To whom or what I owe this
Because like everyone, I had my ups
and downs, but yes I can and will
Honestly say that I have had a very good
year.
Some people may think I'm a fool but
I love my school,
and to fellow Hampton Crabbers,
for you I'll hold a special place
In my heart,
and its you, I will always remember.

Janet Forbes
Class of '79

ACTIVITIES HIGHLIGHT 1978

The Crabbers looked forward to the new and exciting happenings of 1978. Anything out of the ordinary was welcomed by all. The "Senior Touch of Class" was a highlight of the year, as well as a big money maker for the senior class. Although various concerts are held each year, they are anticipated and provide a change of pace from the usual school day.

As the year drew to a close, more events were noticeable - the Prom and Graduation, as well as May Day and Senior Skip Day. Each was long anticipated and a sigh of relief could be heard when each activity arrived.

1. KEITH HORNE tries to escape an opponent's grasp. 2. Members of the Jazz Ensemble, ALLISON McINTYRE, MARIE WILLIS and KATHY CROWDER perform during their concert. 3. In the play, HERE AND NOW, PRIN CROSLIN discloses her problems. 4. LYNNE SUNDBERG and JIMMY STRICKLAND work on their paintings in the art room. 5. Performing in the "Senior Touch of Class" is BRIAN HOLLOMAN. 6. During Foreign Language Week, MS. SHIRLEY McCRACKEN flaunts her Spanish outfit.

Each student captured his own view of the 1977-78 school year. The memories ranged from A to Z, as different students were affected in different ways. Despite the differences in memories, there were many similarities. For example, none of the Crabbers could forget the State AAA Football Title, which proclaimed our Number 1 status. Also, the rainy Homecoming and our biggest snowstorm in over seven years were remembered by all. It was definitely true that each person left Hampton High on June 7th with memories good or bad.

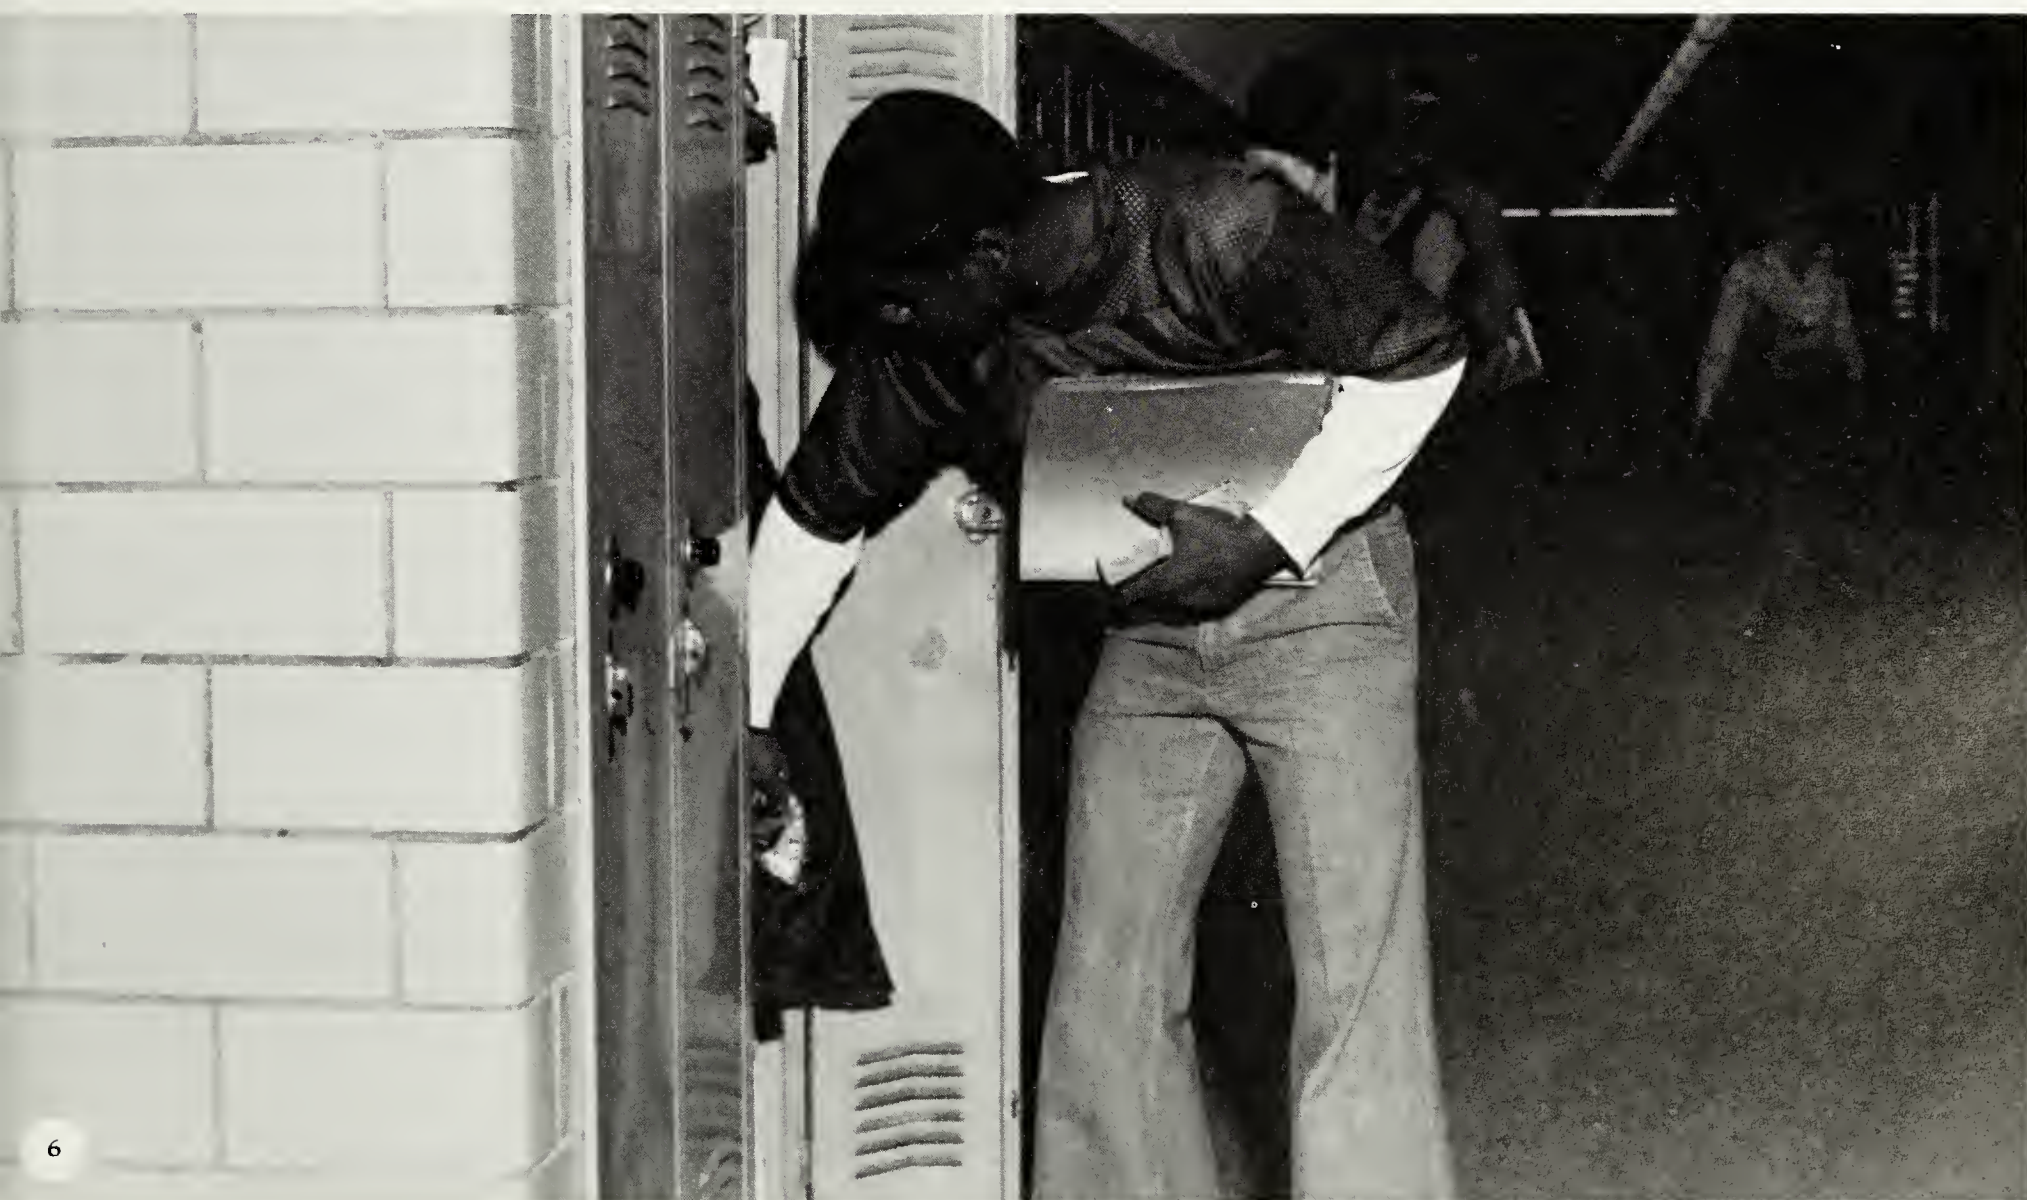

1. During a free moment, JANET FORBES reads the Krabba Highlight. 2. MARY CEDILLO pensively thinks of the future. 3. At a Chorus concert, ROBERT LAUFER and BECKY WILLIAMS sing out 4. PAT HESTON and JOE ABRAMS socialize in the ROTC room. 5. MRS. DANIELS and MRS. ROLLINS straighten the desk. 6. At his locker, RONELL BRAXTON gathers his books.

ABOUND

WE BID FAREWELL

1. Awaiting the verdict, BRIAN HOLLOMON, JEFF WINSTON, and RALPH SMITH watch the jury. 2. On the last day of school, BECKY WILLIAMS, CATHI CROWDER, STEVE ROTHSTEIN, AND JUDY HUDSON talk about old times. 3. At the Secretaries' Tea, Mrs. Ellis and Mrs. Capps enjoy the cuisine. 4. In their drama outfits, ANNETTE SLIDGE, TRACY MILLARD, and ANGELA BARCLIFT rest before giving out the programs. 5. During the renovation of HHS, workers place new windows on the walls. 6. At the Christmas Assembly, CALVIN TIBBS and BEVERLY PORTER portray toy soldiers.

As the year ends and the final pages are being sent to the publisher; we PEGGY MAHER and KATHY VANNICE, editors feel the need to thank certain people for their time and effort in helping to produce the 1978 Krabba Annual.

Our photographers Arthur Johnson and Jeff Winston, who saw the Krabba's need for their help. They worked very hard until the end, even taking on other staff members' responsibilities.

Staff Members; Christine Bryan, Sharon Byrd, Judy Hudson, Jayne Hutchens, Robert Lewis, Wynne Phares, Cheryl White, and Lisa Wornom. Without all of you, our work would have been much harder.

Our Company Representative, Algie Campbell who was always there to give us his help and fresh ideas.

Professional Photographer, Hal Ward, who took numerous amounts of pictures.

Special credit goes to these people who completed all of their work and even took on more. CHRISTINE BRYAN, who as a new member completed an entire section as well as several spreads, and who worked in the capacity of editor many times. Sharon Byrd, Arthur Johnson, and Jeff Winston who never let us down.

Also, volunteers who gave up their summer vacation to help us complete the Krabba: Thedis Hicks, Becky Leatherwood, Sherry Leatherwood, Cheryl Taylor, Lydia Taylor, and Rise Williams.

The faculty for giving their time to help us with copy and pictures.

Most of all, we thank MS. ANN DE-LOATCH who was our faculty sponsor. With lasting patience, she was always there to help us. For truly without her, there would not have been the 1978 Krabba Annual. We thank her very much and give her all of our love.
